**Thinking Modally** Elena Domínguez

2015-10-28 This volume brings together a selection of the papers presented at the 4th International Conference on Modality in English, held in Madrid on 9-11 September 2010. The book is divided into two parts, with the first encompassing contributions focusing on the notions of modality, evidentiality and temporality, and the second those that explore modality and its connection with stance and evaluation in specific genres and discourse domains.

**A Kiss Before Dying** Ira Levin 2005 It was nearly dark in the small room near the Stoddard University campus. The two people in the room that Sunday evening were both second-year students. They were looking at each other in silence. The handsome young man was angry. His plans had been working so well. But he wasn't going to show his anger. He turned and smiled.
