**Excellence in Business
Communication** John V. Thill
2007 This best-selling book
captures the dynamics of
business communication as no
other on the market does. It
presents the subject in a

fascinating way, powerfully
stimulating and motivating
readers; this book gives the
foundation for excellent,
effective, and practical
business communication. By
offering "On the Job"
simulations that feature actual
companies, readers apply
business communication
concepts to real situations and
sharpen their problem-solving
skills. Incorporating a three-
step approach to writing
(planning, writing, and
completing business
messages), *Excellence in

covers letters, memos, e-mail
and other brief messages,
reports and oral presentations,
and employment messages
(including resumes and
application letters). With its
helpful appendices and a
"Handbook of Grammar,
Mechanics, and Usage," this a
must-have desk reference for
anyone responsible for writing

business letters, e-mail, memos, and reports.

Soft Skills For Business Dr. C. Nagaraja 2026-02-03 Soft Skills for Business is a comprehensive guide designed to equip learners with the essential communication and professional competencies

required in today's dynamic business world. The book presents a well-structured approach to understanding and applying key soft skills across professional environments. It begins by exploring the principles of communication and its significant role in workplace success. Readers are introduced to various modes of communication, including verbal, non-verbal and written forms, complemented by insights into formal and informal communication systems within organisations. The subsequent modules delve into essential business communication tools such as circulars, memos and emails, offering practical templates and examples to support effective learning. A rich section on professional writing teaches the art of drafting impactful letters, business correspondence and well-structured emails. Additionally, the book focuses on career-building skills, including résumé writing, cover letters, meeting documentation and action

reports – all of which enhance employability and workplace readiness. The final module emphasises public speaking and negotiation techniques, highlighting interpersonal communication, teamwork and cross-cultural understanding. Supported by multiple choice questions, review exercises and real-time case examples, this book is an ideal resource for students, young professionals and anyone aspiring to improve their corporate communication skills.
