Release of the Captured River Keith Price
2015-09-04 Josh had no idea that his famous uncle Danny had suddenly returned home from California. How could he? He was teaching at a private school in England, having got as far away as possible from the scene of his best friend's tragic death for which Josh felt solely responsible. But, although knowing in his bones that the county's horrific badger cull would, sooner or later, compel him to return to Wales, it turned out to be something wholly unexpected, and of a supernatural nature, which caused Josh to be captured there, and so forced to confront his demons.

"Three boys from the island of Tresco, Isles of Scilly take on one of the greatest challenges left on the planet - the Mongol Rally. This is their story, written on the road as it happened ... driving through a Russian heatwave, impounded for days in a border pen, chased by armed riders, bribing police and soldiers, weeks

without a shower ... all for charity."--Back cover.
