practical, inside look at the world of corrections.  
**Corrections: An Introduction, Fourth Edition,**  
provides a practical approach to the world of  
corrections. The text focuses on what people do  
in corrections and why, as well as the challenges  
that face contemporary correctional staff and  
administrators. This unique approach integrates  
the author's practical experience with the  
theory, history and policy that students need to  
know. The text demonstrates both the realities of  
and reasons behind correctional practices at the  
local, state, and federal levels. Chapters also  
present case studies, information on careers,

and real examples of situations to provide students with an understanding of the practical aspects of working in corrections. MyCJLab with CJ Search This text is accompanied by MyCJLab with Pearson eText, a dynamic course management program with personalized assessment and remediation, groundbreaking simulations and interactives, and rich media organized and traceable by textbook learning objective.
