is an example of the first level of analysis: what the audience can visually see on a page.

Denotation often refers to something literal, and avoids being a metaphor. Denotation means the literal meaning of a word or name. Although Paris might make you think of romance, its denotation is simply "the city of an old tribe called the Parisii." The word home, for instance, has a denotation of "the place (such as a house or apartment) where a person lives," but it may additionally have many connotations (such as "warmth," "security," or ... Apr 10, 2025 · While denotation gives words their basic meaning, connotation adds depth and emotional weight. Being aware of both can make you a more precise and persuasive communicator. Denotation is generally defined as literal or dictionary meanings of a word in contrast
