Educational Administration Frederick C. Lunenburg 2004 EDUCATIONAL ADMINISTRATION: CONCEPTS AND PRACTICES, the best-selling, most comprehensive and respected text on the market, discusses all topics covered by other educational administration texts, and MORE: culture, change, curriculum, human resources administration, diversity, effective teaching strategies, and supervision of instruction. Lunenburg and Ornstein include more exciting pedagogical features than any other text, and topics are covered in a direct and easy-to-understand manner, with an excellent blend of theory and practice.

Human Resource Management Pravin Durai 2010

Supervision Samuel C. Certo 2003 Certo's SUPERVISION prepares students to be supervisors. It is based on the premise that organizational variables like the nature of the workforce, computer and communication technology, and the design of organization structures are changing perhaps more rapidly than at any other time in history. All of these factors have a direct influence on supervisors' roles.

Dhaka University Journal of Business Studies 2016

Human Resources Management for Hospitality Linda A. Jerris 1999 Human Resources Management for Hospitality by Linda Jerris offers a new approach in supervision. By writing from the perspective of how people grow into being effective supervisors, and by covering the stages through which they pass, Jerris gives students practical advice on how to become successful and effective hospitality management. Human Resources Management for Hospitality is ideal for degree or certificate students, or for anyone interested in the supervisory aspects of the hospitality industry.
