Conflict, Violence, and Displacement in Indonesia

Eva-Lotta E. Hedman 2018-05-31

This volume foregrounds the dynamics of displacement and the experiences of internal refugees uprooted by conflict and violence in Indonesia. Contributors examine internal displacement in the context of militarized conflict and violence in East Timor, Aceh, and Papua, and in other parts of Outer Island Indonesia during the transition from authoritarian rule. The volume also explores official and humanitarian discourses on displacement and their significance for the politics of representation.
