

Introduction To Business Law 4th Edition

Bowker's Law Books and Serials in Print 1995

The Law of Business Organizations Martin Schulz 2012-01-05 This book gives a concise introduction to the German law of business organizations and is meant to help business practitioners and international students to familiarize themselves with its key concepts and legal issues. After outlining some characteristic features of the German legal system the book describes the various types of German business organizations with a special focus on the German Limited Liability Company (GmbH) and the German Stock Corporation (AG). The book discusses some typical problems faced by companies engaged in cross-border activities and also provides a brief outline of some recent developments in European company law with a special focus on the new multinational corporate form of the European Company (SE).

Introduction to Business Law Jeffrey Beatty 2026-02-13 Discover the business law and legal environment text that you'll actually enjoy reading. Beatty/Samuels/Abril's "Introduction to Business Law," 8th Edition, is packed with current examples on topics of interest to students such as cryptocurrency, social media influencers and the gig economy. This book's conversational writing presents complex legal topics in easy-to-understand language -- even faculty have commented that they understand the law better after reading this book. Because the authors practiced law before teaching, they are able to explain how the law works in real life.
