Everywhere I turn these days, the descriptor of "SHAKING MY HEAD AT THESE CHURCH FOLKS" is being used. CHURCH FOLKS ARE MESSY. The church is messy, Discipleship is

*Walking with Francis of Assisi* Bruce G. Epperly  
2021-01-12 From a pilgrimage through the streets of Assisi to contemplative walks on the beaches near his home, Bruce Epperly has pondered the questions of privilege, prayer, and social justice while walking with the teachings of Francis of Assisi. From his roots in reformation traditions, he has a deep understanding of the call Francis received to rebuild the church and the need for constant reformation not only in our personal lives but also in our society and in our religious institutions. He knows that change comes from within, from listening to the spirit of God as we engage in contemplative listening.

*A Friar's Tale* John Collins 2015-11-27

Remembering Fr. Benedict Groeschel, CFR Defender of the outcast, acclaimed teacher and spiritual director, insightful psychologist, and founding member of a thriving religious community, Father Benedict J. Groeschel was not merely a man of uncommon talents but one of extraordinary achievements. Yet at heart he was a simple friar, a humble priest; and his goal in life was very modest: to follow as best he could the path God had chosen for him. For over eighty years—more than fifty of them as a priest—Father Groeschel faithfully walked that path; and, in so doing, he gave hope to abandoned youth, to pregnant women who were homeless

and alone, to many of those people whom society so easily and thoughtlessly discards. An electrifying speaker and a writer of real talent, he was responsible for rekindling the love for God in the hearts of many whose faith had turned to ashes. And his legendary devotion to the poor led him to help found the Franciscan Friars of the Renewal, with the mission to serve those who had little or nothing. A Friar's Tale is an inspiring, moving, and sometimes humorous biography that invites readers to immerse themselves in the fascinating details of a remarkable life, one animated by faith and devoted to love.

Along The Road To Heaven Jeffrey Langer

2006-08 Shortly after finishing my last book *Aliens and Cowboys* I found myself with time on my hands so I began writing songs. The driving motivation for this book began when I moved to Auburndale Florida. Polk County is a rural community (home to orange groves and sparkling fresh water lakes) this is the first time I spent any amount of time with country folks. I started listening predominately to country music and evangelists on the radio. A short time later I realized these outside influences were changing the nature of my words and themes. For nine months I lived in Polk County the rest of the time I lived with my father and brother after separating with my long time girl friend. I finished this book at King's Point in Delray Beach Florida. The selections picked for this book reflect real life after all they come from real people and true-life events. The songs/poetry in this book were inspired by people I know, people I've spoke with (in person and in chat rooms on the web). The songs are about the Cast Of Characters that have been in and out of my life for the past year. I am not sure how some of the people I wrote about will react about the stories I tell, after all they are my interpretation of their words, their tears, their hopes and yes their fears, but also their optimism, faith in god and love of life. It celebrates the human spirit that begins our

everyday and never goes away. Be well, keep your head up, and see you along the road to heaven. Jeffrey Langer
