The Power of Surrender

Judith Orloff, M.D. 2015-10-06

Are you longing for your life to be easier and more fun? Would you like to stop pushing, micromanaging, and forcing things so you can relax? What if you could enjoy what you have instead of always lusting for “more”? What if you could live in “the zone,” propelled by powerful currents toward the right people and opportunities? What if you could stop worrying about money and live with more emotional ease in the moment? If you answer “yes” to all these questions and desire lasting positive change, then prepare to experience the ecstasy of surrender. The art of letting go, Dr. Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. In our superconnected world where emails and text

messages constantly interrupt us, it’s easier to let go than you think. Once embraced, surrendering removes roadblocks and the exhaustion that comes from “trying too hard”—and it helps you achieve goals more effortlessly and brings ongoing happiness. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional, and spiritual health—marrying neuroscience, psychiatry, intuitive medicine, energy techniques, and more—Judith provides a powerful, practical, and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried, or afraid to let go.

A Call to Surrender Mulenga

Chella 2016-01-22 In a story of The Call To Surrender, Mulenga Chella not only opens up his own inspiring journey to us, but he also invites us into the journey God has laid out for each of us. His story is an invitation to a life in which God's plans are always greater than our plans and in which He is always at work for the good of those who love Him.

Mulenga introduces us to a God who asks for nothing less than total surrender and gives nothing less than His loving care through thick and thin. This story will put your own struggles in perspective and put your own obedience to the test. At the same time it will fill you with hope and confidence in the loving and wise providence of our heavenly Father. If you are ready to be both deeply convicted and deeply encouraged, read this book. Dave Gundlach, Pastor Grace Fellowship Church Orange County.

Surrender Nancy DeMoss

Wolgemuth 2008-09-01 For a Christian, waving the white flag doesn't mean, "I give up!" It means, "Victory at last!" Struggling with stubborn habits? Secret sin? Spiritual strongholds? The key isn't how committed you are to the battle—it's how surrendered you are to God. This truth can be your breakthrough, the first step towards a deeper, richer, victorious spiritual life. With her compelling mix of profound biblical insight and personal example, Nancy DeMoss Wolgemuth reveals why it is only when you surrender your heart, your soul, your body, your ambitions—everything—to God that He can fully help you triumph. You can win that battle. You can have that victory. But not until you learn to surrender. Surrender is the second book in The Revive Our Hearts Series, which has sold well over 240,000 copies! With study questions at the end of each chapter, it is ideal for personal or small group study.

battle, it's time to give up. Bow the knee. Wave the white flag. And turn yourself over to the King of kings. The truth is, your salvation, your initial 'surrender' to Christ, was just the starting point. You will never know real joy, real peace, real success until you learn what it means to live a fully surrendered life, to continually say 'no' to self and 'yes' to God. Choosing the pathway to full surrender will transform your perspective, set fire to your soul, revolutionize your life, and give the spiritual victory you have sought for so long. Surrender is the second book in The Revive Our Hearts Series, which has sold well over 80,000 copies! All three titles now include study questions at the end of each chapter, making them ideal for personal or small group study.

steps in yourself. More Help with Surrender • Related concepts and issues are also explored in order to provide you with a comprehensive understanding and context for opening yourself up to the seven steps.
