

The End Of Laissez Faire

The end of something is its final point or farthest edge. After your cat unwinds a ball of yarn, you may find one end of it in your kitchen and the other end upstairs in the bathroom. END. Clothing - The leading retailer of style, sneakers, culture, community. New products added daily. END definition: the last part or extremity, lengthwise, of anything that is longer than it is wide or broad. See examples of end used in a sentence. An end who lines up close to the offensive line is known as a tight end, while one who lines up some distance from the offensive line is known as a split end. In recent years, the generic term wide ... a part or place at or adjacent to an extremity: at the end of the table; the west end of town. the furthest imaginable place or point: an island at the very end of the world. Apr 26, 2026 · The verb is from Middle

English enden, endien, from Old English endian (“to end, to make an end of, complete, finish, abolish, destroy, come to an end, die”), from Proto-Germanic ... close, end, conclude, finish, complete, terminate mean to bring or come to a stopping point or limit. close usually implies that something has been in some way open as well as unfinished. 1. To bring to a conclusion: Let's end this discussion. 2. To form the last or concluding part of: the song that ended the performance. See Synonyms at complete. 3. To destroy: ended our hopes. The last part of anything; final point; finish; completion; conclusion. The end of the day. END definition: 1. the part of a place or thing that is furthest away from the centre: 2. arranged with one end of.... Learn more.
