Book** Jay Calderin 2013-07-01
An essential primer for

students and first-stop
reference for professionals,
The Fashion Design Reference
& Specification Book takes the
fashion designer through the
entire design process, from
conceiving a garment to
marketing it. This valuable
handbook contains the
information and ideas essential
to planning and executing
fashion projects of every scale
and distills them in an easy-to-
use format that is compact
enough to slip into a tote.
Linking six central phases in
the cycle of fashion—research,
editing, design, construction,
connection, and evolution—The
Fashion Design Reference &
Specification Book helps
designers develop effective
strategies for building a
cohesive collection and
communicating their vision.
The Reference & Specification
Book series from Rockport
Publishers offers students and
practicing professionals in a

range of creative industries must-have information in their area of specialty in an up-to-date, concise handbook.
