

World Mythology

Xi Jinping spent 13 years building a military to rival that of the United States. But the stronger the Chinese forces grew, the less he trusted the generals he had handpicked to run them. A comprehensive representation of the world and our place in it, as is found in religions, is known as a worldview. Cosmogony is the field that studies the origin or creation of the world, while eschatology ... Stay informed with top world news today.
