New York CDL Practice Exam Made Easy Austin Robert 2020-03-04 A commercial driving license (CDL) is a driver's license you must acquire before you can operate large, heavy and hazardous material vehicles for

commercial purposes. All drivers of CDV (commercial motor vehicle) in the United States of America are required to have a CDL. In order to get this particular license, you must first take and pass the CDL knowledge and skill exams. As you are getting close to taking your exam, effective preparations becomes very crucial. Thankfully you have acquired this book to help you get prepared. Using this book correctly will not only help you to prepare very well but it will also help you to pass your entire test successfully. This study guide is made up of several important sections that will help you to be successful in your exam. It contains tips about exam-taking strategies. Having a great knowledge about a commercial driving vehicle is not always enough that is why some people with great information about CDL still struggle during exams. The tips about the exam-taking strategy will equip you to know how to read, assess and answer test questions accurately. A greater part of this guide contains similar questions and answers you should expect on your exam day, this is to enable you to get used to as many questions as possible ahead of time. The test questions include; General knowledge test Air brake test Combination vehicle test, School bus test Hazardous material test Tank vehicle test Double and Triple test. Pre-trip inspection test Passenger vehicle test. The total questions from all the test is about 420 questions and correct answers are provided at the end of each test. The information contain in this guide is for both knowledge and skill test. You can take the general knowledge practice test and any other practical endorsement test that apply to your vehicle type. This guide also contains a detail explanation of some key elements of CDL, such as Safe driving, Vehicle inspection, Transportation of cargos, Transportation of passengers, Air brake system, coupling and uncoupling of combination vehicle, Tank vehicle as well as loading and unloading of hazardous material vehicle. Your success in the CDL exam is guaranteed, when you prepare and master all the questions in this study guide and take advantage of the test-taking strategies.
