New Revised Cambridge GED Program 1998 Developed on the premise that every adult has different learning needs, the Cambridge GED Program offers a flexibility unmatched by any other program. Adults may work solely within the Comprehensive Book, since it's packed with all the GED preparation tools they need -- more test-taking practice than any other program on the market, a variety of test taking tips, writing activities throughout, a complete essay writing section, and so much more. Learners who may need even further instruction in a particular content area can turn to any of the five satellites for more in-depth instruction. Each satellite is accompanied by a helpful Exercise book that offers extra support for each subject. What's more, the entire program is easy to navigate through. Progress charts help adults identify areas where more instruction is needed, and all the components are correlated for easy access! The Cambridge Ged Comprehensive Book is the most complete GED preparation tool for today's adult learners. The Comprehensive Book is a user-friendly text that sets the stage for GED preparation through a contemporary, step-by-step approach. Every lesson in math, science, social studies, and literature integrates skills and content and allows adult learners to track their progress in unit-by-unit charts designed to assess what they have learned. The importance of writing skills is emphasized by integrating high-interest, achievable writing activities in every content area. The comprehensive book includes a special feature -- two complete 5-part tests, (most texts only have one).
