2010-09-01 This intermediate workbook, like the other materials in the

Norsk, nordmenn og Norge series, regards communication as the

primary goal of language learning. Experience has shown that students

need to pass through a period of meaningful structural practice as they

develop their communication skills. The workbook aims to provide that

practice in psychologically realistic and useful ways, combining

entertaining activities with more traditional exercises. Toward these

ends, the workbook features:

- an extensive overview of the basics of Norwegian grammar, providing a ready reference throughout the course

- a thorough review of elementary Norwegian vocabulary and grammar, allowing students whose preparation in the language differs to share a common knowledge base

- Hvem er du? sections that encourage the learner to personalize the material

- Litt av hvert sections that provide short summaries of the anthology's reading passages (lesestykker) while reviewing common problems with vocabulary and grammar

- crossword puzzles and cartoons.

Norsk, nordmenn og Norge: Arbeidsbok

(Workbook) is a companion to the Norsk, nordmenn og Norge: Antologi
