Student Solutions Manual to Accompany Modern

Physical Organic Chemistry Michael B. Sponsler

2005-08-15 The manual includes not only answers for each of the end-of-chapter problems, but also descriptive solutions that show how the answers are obtained. Selected problems also have "Going Deeper" highlights that explore interesting and important issues that go beyond the solution and answer to the problem that was asked. Students' understanding of both concepts and problem-solving strategies will be enhanced

by their coordinated use of the textbook and this manual.
