Blindfold a student and give him the pool noodle to hold out in front of himself to feel what's ahead. Lead the student into the room and direct him through the course, giving verbal instructions as necessary. One of them is "the blind", which is defined as putting the blindfold on his/her eyes. The mission of "the blind" is to pass through the whole obstacle course with his/her eyes covered. To make this book I have downloaded the Lichess puzzle database containing 2,132,989 chess puzzles.
