Aug 23, 2014 · Just a small remark: According to the English typography, the ordinal indicators are not written in superscript. In French or Spanish you do that, not in English. It's only Microsoft Word that implemented the feature years ago and since then, people think it's correct. It's a suffix. Ordinal numbers in English show the position or order of things—like first, second, third, and so on. They're used all the time in everyday English, whether you're talking about dates, competitions, floors in a building, or steps in a process.
