

Active Skills For 1 Answer Key

When you use active verbs in your written work, rather than passive ones, it sounds clearer and more direct. Active sentences, such as 'The dog chased the cat', are more concise than passive sentences ... We stay/keep active during the cold winter months by skiing and ice skating. Despite her age, she has been able to maintain her active [= busy] lifestyle. Cats are most active [= energetic, lively] at night. The meaning of ACTIVE is characterized by action rather than by contemplation or speculation. How to use active in a sentence. Something that is active is characterized by movement and action. That action might be a random or temporary movement, such as someone who is active and exercises only now and then, or ... Get everything you love about Active.com on the go, in the palm of your hand! Search and register for activities, read

and share health and fitness articles and much more! What is a basic definition of active? Active is an adjective that describes something as involving a lot of energetic work or as engaging in action, operation, or motion. If you say that a person or animal is active in a particular place or at a particular time, you mean that they are performing their usual activities or performing a particular activity. 1 day ago · ACTIVE powers the world's events and activities and connects people with the things they love to do. Find, register, or learn about races, local events, sports, and things to do near you. What's ... Marked by energetic activity; busy. Active stock and bond markets; spent an active day sightseeing. Active is the most general, connoting physical or mental exertion in a variety of contexts: an active toddler; an active imagination; remained active in later years by walking

and swimming.
