Life After War Box Set Books 7-9 Angela White Beware the Blades of Karma “We were supposed to have a home now, with walls and floors. The constant traveling and trying to outrun death was going to be over. We were about to build a life that resembled what we lost—full of peace and the pursuit of happiness. We’d earned it. “Then all of the dreams that held us through the nightmares shattered against the stone. We lost our hope, our home, and half our population. Now, outlasting death long enough to reach Kendle’s island is all that remains for us and even that isn’t certain. The future, cold and dark, offers little comfort. Without change, there can be no peace—only survivors.” This file includes books 7-9 of the Life After War series:
·Shattered Dreams (Book 7) ·Dearly Departed

Life After War Box Set Books 1-3 Angela White “This is Safe Haven. We offer food, shelter, and protection to all survivors. Does anyone copy? ...hello? Is anyone alive out there?” “Answering that call was a dangerous risk in a world now filled with nightmares, but it was better than having no hope at all, so we left our dens and our dregs and followed Safe Haven. Not everyone made it and some of those

who did were too far gone to be trusted. The apocalypse left its mark on all of us and Safe Haven wasn't immune. It was a place of safety, of light, of duty and honor. It was a refuge for all survivors, where even romance blossomed under the ashes. It was also a place of death and darkness, where murder and madness walked hand-in-hand." 2025 MAXY Award Winner 2022 PenCraft Award Winner. 2022 Reader's Choice Finalist.

people out of Cesar's evil control long enough to finish the training he's begun? The enemy numbers are over 300 and growing. There are currently 64 Eagles. Maybe, if Marc can come up with the right plan and his psychic can tell him when to use it. He'll also need Samantha to warn him when Nature is attacking. John will look out for their health and Kenn will be banished if he can't let go of Angie, who has found something she really wants. The Survival of America is the dream. Everyone works for a common goal and everyone lives. However, not everyone can handle Adrian's version of safety, including some of his closest people. This Survival Adventure includes: -deleted scenes -sneak peeks -character profiles -Eagle team list -note from author Seven weeks of post apocalyptic survival, adventure, horror, and romance! Come see how it all plays out, won't you?

Life After War Box Set Books 4-6 Angela White The Soldiers Are Coming! Safe Haven has

grown too powerful to be ignored any longer. The remaining government wants all survivors secured for their own use or eliminated, and they couldn't have chosen a better time to reemerge from their dystopian holes. Safe Haven has a new leader and a long list of challenges to overcome in their fight for survival. Adrian's condition is critical, the camp isn't ready to accept the existence of magic, Mother Nature still has them in her crosshairs, and they are low on food, water, and fuel. The next eight weeks will be the hardest they've gone through yet, and it may still not be enough to ensure their survival. Can they bring the pieces together in time?
