**The Swords of Nehemiah** Joseph M. Gilbert 2023-10-20 Every house of worship in America faces a growing constant threat of violent attacks from terrorists, social fanatics, violent anti-religions, the mentally ill, drug-ravaged, and others who crave the social media and news fame of a mass killer. In the last twenty years, there was an average of two deadly force incidents (DFI) at houses of worship in America each week. No state, county, city, or house of worship of any religion is exempt from these threats. Violence, unrest, and criminal attacks are increasing nationwide with no penalty, accountability, or restrictions. Violent criminals are released into society with no controls. Churches of all denominations are seen as soft targets, and they must address these threats and take actions to protect those who come to worship. Retired FBI Superintendent Ed Mireles says, "This book is a highly recommended, must read, for all Church Security Personnel." This book gives the reader an extremely valuable program of strategies and tactics that can be immediately applied to provide protections against these violent threats, to limit the number of threats that occur and minimize the effects of those that happen. With years of direct experience and multiple sessions of very high-quality training, the author faces these threats head-on and then moves directly to provide counter methods. Hard-hitting, direct, and fast-paced, *The Swords of Nehemiah* is the essential How to playbook for church protection strategies that have proven successful and can be immediately implemented and consistently improved and enhanced. Retired Professor of Criminal Justice Dr. Jeffrey P. Rush says it best, "This is the book every church, every security team needs. Read it, learn it, live it."

*The Church of Scientology* Hugh B. Urban 2011-08-22 Hugh Urban tells the real story of Scientology from its cold war-era beginnings in the 1950s to its prominence today as the religion of Hollywood's celebrity elite. Urban paints a vivid portrait of Hubbard, the enigmatic founder who once commanded his own private fleet and an intelligence apparatus rivaling that of the U.S. government. One FBI agent described him as "a mental case," but to his followers he is the man who "solved the riddle of the human mind." Urban details Scientology's decades-long war with the IRS, which ended with the church winning tax-exempt status as a religion; the rancorous cult wars of the 1970s and 1980s; as well as the latest challenges confronting Scientology, from attacks by the Internet group Anonymous to the church's efforts to suppress the online dissemination of its esoteric teachings.

*The Church Security Handbook* Vaughn Baker 2017-11-20 The Church Security Handbook: Because It Can Happen Here Attacks on churches are on the rise. Yet the temptation is to think that it can't or won't happen in our city or congregation. The Church Security Handbook takes a practical, biblical approach to answering critical questions about security including: \* What are the odds of an attack on my church?\* Does church security indicate a lack of faith in God?\* How can we have a

security team without a "fortress mentality"?\* Does a security team have to be armed?\* How do we select and train our team?The Church Security Handbook is written by the experienced, real-world professionals at Strategos International, [www.strategosintl.com](http://www.strategosintl.com)

Church Security Department Training Manual Yemi Adebajo 2026-03-10

Church Security is a practical and spiritually grounded training manual designed to help churches build a safe, organized, and well-prepared security system within the house of God. In a time when churches are growing and hosting large congregations, the need for effective security and order has never been more important. This powerful guide equips pastors, church leaders, ushers, and security teams with the knowledge and principles required to protect both people and property while maintaining a welcoming atmosphere for worship. The book provides clear training instructions, biblical perspectives, and structured guidelines for establishing a strong church security department. Inside this manual, readers will learn how to organize a church security team, understand their responsibilities, respond to emergencies, and maintain order during services and church programs. It also highlights the importance of vigilance, teamwork, communication, and spiritual responsibility in protecting the congregation. Whether your church is small or large, Church Security offers valuable insights and practical strategies that can help leaders build a reliable security structure that supports ministry operations and ensures the safety of everyone who enters the church. This book is an essential resource for churches seeking to train security personnel, strengthen leadership structure, and create a safe environment where believers can worship freely and confidently.

Securing the House of Worship - Comprehensive Manual Ron Danielowski 2022-07-06 Securing the House of Worship - Comprehensive Manual was created to guide houses of worship in the development of church security teams capable of actively defending against lethal threats of violence. Active defense is the ability to stop a violent threat, minimizing casualties and damage, and securing the scene prior to the arrival of law enforcement. This is accomplished by training select staff and parishioners who are thoroughly vetted and willing to form an armed security force.
