Pendulum, L-Rod, Y-Rod Barbara Dowdy-Trabke 2015-10-21 The pendulum's swing, the motion of your L-Rod or your Y-Rod is an extension of your superconscious. Use these instruments to ascertain Yes or No, plus or minus, positive or negative, degrees, percents, numbers, amounts and more. The accuracy of your dowsing depends on your training, degree of skill, self confidence and ability to detach yourself from the outcome of any answer. What do the experts say about this book? "My friend Barbara has covered a lot of territory in this book-from the basic concepts of dowsing to using dowsing devices to improve your health with muscle testing. She leads the reader on an informative journey that can change our lives." Raymon Grace, Dowser, Lecturer & Author "This author has done a masterful job in explaining the use of the several tools used in dowsing. With step by step instructions on each instrument, including the body as a dowsing tool. She explains the importance of asking the right questions and getting permission from the system to do the dowsing. I feel that this book could become the standard text book for basic dowsing schools, and I am proud to recommend it."
