On Christian Nationalism David M. Gides 2025-11-26 Since the January 6, 2021 coup attempt at the U.S. Capitol, Christian nationalism has widely been called the “greatest threat to democracy in the United States.” Yet academics and activists present many conflicting definitions and solutions. *On Christian Nationalism: Critical and Theological Perspectives* features an array of scholarly essays on Christian nationalism, offering innovative exploration of topics including definitions and historical context, current trends in the United States (including intersections with racism, sexism, antisemitism, and Islamophobia), comparative phenomena abroad, and practical ways to address the problem theologically or politically. An important book at a time of rising Christian far-

right mobilization and urgent need for a deeper theoretical analysis, *On Christian Nationalism* pushes the conversation further and explores new vantage points. The book will be of interest to those seeking a fuller, richer, and more complex understanding of Christian nationalism: scholars of religious and political movements, activists, pastors, journalists, and others with a concerned focus in the area.

Wild Faith Tal Lavin

2024-10-15 The acclaimed author of *Culture Warlords* investigates the rise of the Christian Right over the last half-century that lays out the grim vision evangelicals are enforcing on our democracy. "An investigative triumph and a warning." —David Corn, author of #1 *New York Times* bestseller *Russian Roulette* and *American Psychosis* All across America, a storm is gathering: from book bans in school libraries to anti-trans laws in state legislatures; firebombings

of abortion clinics and protests against gay rights. The Christian Right, a cunning political force in America for more than half a century, has never been more powerful than it is right now—it propelled Donald Trump to power, and it won't stop until it's refashioned America in its own image. In *Wild Faith*, critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right, from its segregationist past to a future riddled with apocalyptic ideology. Using primary sources and firsthand accounts, Lavin introduces you to "deliverance ministers" who carry out exorcisms by the hundreds; modern-day, self-proclaimed prophets and apostles; Christian militias, cults, zealots, and showmen; and the people in power who are aiding them to achieve their goals. Along the way, she explores anti-abortion terrorists, the Christian Patriarchy movement, with its desire to place all women under absolute male control; the twisted theology that leads

to rampant child abuse; and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit. From school boards to the Supreme Court, Christian theocracy is ascendant in America—and only through exploring its motivations and impacts can we understand the crisis we face. In *Wild Faith*, Lavin fearlessly confronts whether our democracy can survive an organized, fervent theocratic movement, one that seeks to impose its religious beliefs on American citizens. "An urgent prophecy, a clarion call, a dire warning about what has been happening in America in plain sight, and yet under the noses of millions. With gorgeous prose and her inimitable style, Lavin lifts up a mirror to the ways in which abuse in private becomes public policy, religion is corrupted into fanaticism, and decades of culture warring has led to the brink—a moment we must face squarely, and fight in solidarity." —Sarah Weinman, author of *The Real Lolita* Esquire Best Nonfiction

The Kingdom Establishers - Book 3 (The Revealed Kingdom 3-Book Series) Mark Loretz
2024-01-15 I am excited about this beautifully written Kingdom guidebook, as it gives us various keys and strategies to live a Kingdom life. It also challenges us to become Kingdom establishers and to build the Kingdom of Jesus where we live and work. I enjoyed the parts referring to Kingdom mindsets and attitudes that teach the believer a different worldview, to attract a life of miracles as well as being instrumental in letting His Kingdom come on earth as in Heaven. What Dr Mark Loretz describes, is how to practically align ourselves with the Kingdom of God to live the life of overflow as Jesus intended.

Invading Babylon Lance Wallnau 2013-07-16 You were transformed to transform your world! For too long, Christianity has been defined by a false concept of church. As a result, believers have built walls around their lives,

keeping culture at a distance. As Christians have tried to keep culture out of the church, unfortunately, the church has kept itself out of the culture. This was never Jesus' design for the your life! Before church was established as a place that people "came to," Jesus instituted it as an army that brought transformation to society, starting with salvation and continuing with seven spheres of influence: Church, family, education, government, media, arts, and commerce. Six revolutionary voices in the modern church deliver Invading Babylon. This essential guide will equip you to: Understand your vital role in shaping society. Release God's will in your sphere of influence. Become an unstoppable citizen in God's Kingdom. It's your time to arise and be a light in a dark world.

When Hell Invades The Churches Andrew Stunich

2022-10-14 When Hell Invades The Churches: An Expose of Redding Bethel and the New

Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book, *The Seduction of Christianity*. Mr. Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur, the pastorpreneur, is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new, experienced-based, contra-Scriptural religion masquerading as Christianity. Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it is a Christian church. If you have any doubt that the great apostasy (falling away) predicted in 2 Thessalonians 2 is well underway, this book will dispel any doubts. This book

peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless false prophecies and false claims of new revelations from God. But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale.

The FALL of BABYLON the Great AMERICA Michael D Fortner 2020-07-16 Second Edition (not minor revision) If you are looking for an analysis of Babylon the Great, to determine if it might be the United States of America, then this book is for you. One of the most difficult things I had to do in order to correctly interpret Bible prophecy, was come to the realization that America is

Babylon the Great (BTG). I did not want to believe it. But after years of study, the evidence forced me to that conclusion. Then I realized, that most nations of the world will suffer great destruction to one degree or another, based on their sins. So America will also suffer for its sinfulness. I also came to understand that Babylon the Great (BTG) is not all of America, it is ONLY wicked America. God will destroy wicked America, but he will save a righteous remnant from those who do not go in the Rapture, to rebuild the nation. During the past 10 years I saw such great decline in America, that I can now see why America will be destroyed, and also why it must be destroyed. But America will NOT be destroyed before the start of the Great Tribulation (GT), which is so often claimed, but will only be wounded at the start of the GT, but will be nuked and then invaded at the end of the GT. The nuclear war and invasion of America are the last acts of the beast (a Revised Islamic Empire) and its allies

(Russia and China and North Korea), in its attempt to totally destroy Christianity and the Christians in America. Then Christ returns to save the world by destroying the evil that is taking over the world. Many people misinterpret Babylon the Great (BTG) harlot, prostitute, in Revelation 17 and 18. She has been interpreted to be, the Roman Catholic Church, the Protestant Church, Jerusalem, Islam, Saudi Arabia, and who knows what else. I will provide a mountain of evidence and explain in detail how America is political Babylon, which is the government of the United States of America; cultural Babylon, which is the polluted culture of America that is formed by movies, TV, and music; and economic Babylon, that is capitalism which is headquartered in America; America being the premier capitalist nation in the world. If Babylon is also a city, then it is New York City. Like my other two books on Bible prophecy, there is a lot of new insights in this book that are not found in

any other book on Babylon the Great and America. I also discuss the Old Testament references to an end-time Babylon, which is not a rebuilt city in Iraq, but can only be the same as Mystery Babylon in Revelation. And I will discuss the founding of America, how it was founded with a de facto covenant with God ("de facto" means being in effect though not formally recognized). But America also is chosen of God because it was one of the nations that God promised to Abraham. Yes, God promised Abraham more than one nation! It is likely the main reason that America became the greatest and most powerful nation the world has ever seen. I also show how America will be split into three parts by a huge global earthquake (Rev. 16) after it betrays Israel. One split will be along the Mississippi River, the other in California. This book also includes a discussion of Gog and Magog of Ezekiel 38, which gives us details for two wars, not just one. One will be an invasion of Israel; the other

will be an invasion of America. In the appendix I discuss the misinterpretation of Walid Shoebat, showing that his view of BTG being Saudi Arabia is grossly wrong. This is Book 3 of the Bible Prophecy Revealed series, which is a complete teaching on Bible prophecy. If you liked the other two books, you will like this one. (This is edition 1.75 with some slight improvements.) (Book 4 is now available).

Reclaiming the Political Process Ray Miller 2024-04-24 Disciples of Christ in America must live out and express their faith in practical, meaningful ways in the “real world” including the political process. Our failure to provide leadership in our culture and the political process has resulted in the many negatives that are now taking place in the US. Believers must see engagement with the political process as a natural expression of their relationship with God. Ray Miller suggests practical and holistic ways in which we can live out our faith through this involvement and become

engaged long-term in the political process.

The Walls of Babylon David Arthur 2019-08-22 The Walls of Babylon is a radically revisionist reading of the Revelation to John, offering startling insights into the historical roots of Gnosticism, the social dynamics of early Christianity, and the shattering impact of apocalyptic eschatology. Based on a careful analysis of the text, David Arthur argues that the motivating circumstance for Revelation was provided not by external Roman oppression but by a fierce internal dispute between gnostic and proto-orthodox factions within the early church. In the ensuing controversy, John did not side with ecclesiastical officials, as might be expected, but instead took up the cause of the persecuted outcasts. Following the precedent of the classical prophets, he speaks as a champion for the downtrodden and dispossessed—represented, for him, by the gnostic heretics. The book he has left us

presents a fiery symbolic rebuke of proto-orthodox Christianity, and by extension, challenges normative religious paradigms at every level of belief and praxis.
