**Kaplan IELTS 2009-2010 Edition** Kaplan 2009-03-31 The International English Language Testing System (IELTS) exam gauges students' English language comprehension by testing their listening, reading, writing, and speaking skills for entrance into universities, non-academic business settings, and immigration tests. Students' reading and writing skills are tested either using an academic or general module depending on whether the test taker plans to pursue academic studies or apply their English skills to the business world exclusively. Regardless of which module the student takes, our book provides a comprehensive review of each of the exam's four sections in order to best prepare students for the exam.
