Leucippe and Clitophon

Achilles Tatius 2009-07-30

Leucippe and Clitophon, composed in the second century AD, is the most bizarre and risqué of the five 'Greek novels' of idealized love between boy and girl that survive from the period of the Roman empire. Achilles' narrative covers adultery, violence, evisceration, pederasty and virginity-testing and in execution is subtle, stylish, moving, brash, tasteless, and obscene.

Omnibus 1996

Compassion and Convention

Robert Sean Millard 2009

The Cambridge Introduction to

Tragedy Jennifer Wallace

2007-05-10 An introductory study into tragedy in drama and literature, and in the real world.

Medea and Other Plays

Euripides 1998 `the most

tragic of the poets' Aristotle

Euripides was one of the most

popular and controversial of all

Greek tragedians, and his plays

are marked by an

independence of thought,

ingenious dramatic devices,

and a subtle variety of register

and mood. He is also

remarkable for the prominence

he gave to female characters,

whether heroines of virtue or

vice. In the ethically shocking

Medea, the first known child-

killing mother in Greek myth to

perform the deed in cold blood

manipulates her world in order

to wreak vengeance on her

treacherous husband.

Hippolytus sees Phaedra's

confession of her passion for

her stepson herald disaster,

while Electra's heroine helps her brother murder their mother in an act that mingles justice and sin. Lastly, lighter in tone, the satyr drama, *Helen*, is an exploration of the impossibility of certitude as brilliantly paradoxical as the three famous tragedies. This new translation does full justice to Euripides's range of tone and gift for narrative. A lucid introduction provides substantial analysis of each play, complete with vital explanations of the traditions and background to Euripides's world.

Heracles and Other Plays

Euripides 2008-09-11 Euripides wrote about timeless themes, of friendship and enmity, hope and despair, duty and betrayal. The first three plays in this volume are imbued with an atmosphere of violence, while the fourth, *Cyclops*, is our only surviving example of a genuine satyr play, with all the crude and slapstick humor that characterized the genre. *Alcestis* shows various reactions to death with pathos and grim humor while the

blood-soaked *Heracles* portrays deep emotional pain and undeserved suffering. Children of *Heracles* deals with the effects of war on refugees and the consequences of sheltering them. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Standard Catalog for Public Libraries H.W. Wilson Company 1958

Rome's Italian Wars Livy 2013-04-04 'People have it in their minds that he would have been a match for Alexander, had Alexander turned his arms on Europe.' So Livy characterizes Papirius Cursor, one of Rome's famous generals in the fourth century BC. In

Books 6 to 10 of his monumental history of Rome, Livy deals with the period in which Rome recovered from its Gallic disaster to impose mastery over almost the entire Italian peninsula in a series of ever greater wars. Along with Papirius, Livy paints vivid portraits of other notable figures, such as Camillus, who rescued the city from its Gallic captors in 390, young Manlius Torquatus, victor in a David-versus-Goliath duel with a Gallic chieftain, and Appius Claudius who built Rome's first major highway, the Appian Way. Livy's blend of factual narrative and imaginative recreation brings to life a critical era for the rise of Rome, and Books 6 to 10 of his work are the one complete account we have, as the city passes from myth and legend into the increasing light of reliable history. John Yardley's fluent translation is accompanied by an introduction and notes that set Livy in the context of Roman historiography. The complete Livy in English, available in five

volumes from Oxford World's Classics. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Oxford Companion to American Theatre Gerald Martin Bordman 2004-05-06 First published in 1984, Gerald Bordman's Oxford Companion to American Theatre is the standard one-volume source on our national theatre. Critics have hailed its "wealth of authoritative information" (Back Stage), its "fascinating picture of the volatile American stage" (The Guardian), and its "well-chosen, illuminating facts" (Newsday). Now thoroughly revised, this distinguished volume once

again provides an up-to-date guide to the American stage from its beginnings to the present. Completely updated by theater professor Thomas Hischak, the volume includes playwrights, plays, actors, directors, producers, songwriters, famous playhouses, dramatic movements, and much more. The book covers not only classic works (such as *Death of a Salesman*) but also many commercially successful plays (such as *Getting Gertie's Garter*), plus entries on foreign figures that have influenced our dramatic development (from Shakespeare to Beckett and Pinter). New entries include recent plays such as *Angels in America* and *Six Degrees of Separation*, performers such as Eric Bogosian and Bill Irwin, playwrights like David Henry Hwang and Wendy Wasserstein, and relevant developments and issues including AIDS in American theatre, theatrical producing by Disney, and the rise in solo performance. Accessible and

authoritative, this valuable A-Z reference is ideal not only for students and scholars of theater, but everyone with a passion for the stage. *Medea and Other Plays* Euripides 2008-11-13 'the most tragic of the poets' Aristotle Euripides was one of the most popular and controversial of all Greek tragedians, and his plays are marked by an independence of thought, ingenious dramatic devices, and a subtle variety of register and mood. He is also remarkable for the prominence he gave to female characters, whether heroines of virtue or vice. In the ethically shocking *Medea*, the first known child-killing mother in Greek myth to perform the deed in cold blood manipulates her world in order to wreak vengeance on her treacherous husband. Hippolytus sees Phaedra's confession of her passion for her stepson herald disaster, while Electra's heroine helps her brother murder their mother in an act that mingles justice and sin. Lastly, lighter in tone, the satyr drama,

Helen, is an exploration of the impossibility of certitude as brilliantly paradoxical as the three famous tragedies. This new translation does full justice to Euripides's range of tone and gift for narrative. A lucid introduction provides substantial analysis of each play, complete with vital explanations of the traditions and background to Euripides's world. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Love Poems Ovid 2008-05-08 During Shakespeare's lifetime, Henry IV was his most popular play. Today, Sir John Falstaff still towers above Shakespeare's

other comic inventions. This edition considers the play in the context of various critical approaches, offers a history of the play in performance from Shakespeare's time to ours, and provides useful information on its historical background. Readers will also find detailed commentary on individual words and phrases, and selections from Shakespeare's sources.

Forthcoming Books Rose Army 1998-04

The Classical Outlook 2000

Literature of the Western World: The ancient world through the Renaissance 1988

Literature of the ancient world through the Renaissance.

The British National

Bibliography Arthur James Wells 2004

Landmarks in Classical Literature Philip Gaskell 1999

Providing the context of time and place as well as discussing the translations, Landmarks in Classical Literature surveys the most influential authors of ancient Greece and Rome. Part of the three-book

series, Landmarks in European

Literature, which presents the major authors of European literature and their works, from ancient times until the 20th century, this volume is designed for general readers and students, looking for additional guidance in their reading or wishing to understand the context in which these fascinating works were written. Helping and encouraging readers to explore and enjoy the European literary heritage, the Landmarks in European Literature series include Landmarks in Continental European Literature, Landmarks in Classical Literature, and Landmarks in English Literature, all of which will prove valuable at any library supporting literary studies. The Birth of Tragedy Friedrich Wilhelm Nietzsche 2000 'Yes, what is Dionysian? - This book provides an answer - "a man who knows" speaks in it, the initiate and disciple of his god.' The Birth of Tragedy (1872) is a book about the origins of Greek tragedy and its relevance to the German

culture of its time. For Nietzsche, Greek tragedy is the expression of a culture which has achieved a delicate but powerful balance between Dionysian insight into the chaos and suffering which underlies all existence and the discipline and clarity of rational Apollonian form. In order to promote a return to these values, Nietzsche undertakes a critique of the complacent rationalism of late nineteenth-century German culture and makes an impassioned plea for the regenerative potential of the music of Wagner. In its wide-ranging discussion of the nature of art, science and religion, Nietzsche's argument raises important questions about the problematic nature of cultural origins which are still of concern today. A Dictionary of Classical Greek Quotations Marinos Yeroulanos 2016-06-30 'Human wisdom is of little or no value', wrote Plato in his Apology. And yet the ancient Greeks, including Plato himself, more than any other people of antiquity were

fascinated by the pursuit of the wisdom they called philosophia. That search for knowledge involved an extensive use of maxims and quotations, as we can see from those expressions of Homer prefaced by the phrase 'as people say'. Homer, the Seven Sages and the Pre-Socratic philosophers are still extensively quoted in all the major western languages. Yet for all their popularity, until now there has been no single resource to which interested readers might turn. This unique reference book offers one of the most comprehensive selections of Greek quotations ever committed to print. With its English text matched by the original Greek, the volume collects 7500 entries, ranging from the archaic period to late antiquity, and across philosophy, drama, poetry, history, science and medicine, each indexed with key words to enable fast sourcing. Together, these selections provide an incomparable insight into the glories of Greek civilization.

Medea And Other Plays Oxford Worlds Classics

Welcome to atrium.finalsclub.org, your go-to destination for a vast collection of **Medea And Other Plays Oxford Worlds Classics** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Medea And Other Plays Oxford Worlds Classics eBook downloading experience.

At atrium.finalsclub.org, our mission is simple: to democratize knowledge and foster a love for reading Medea And Other Plays Oxford Worlds Classics. We believe that everyone should have access to Medea And Other Plays Oxford Worlds Classics eBooks, spanning various genres, topics, and interests. By offering Medea And Other Plays Oxford Worlds Classics and a rich collection of PDF

eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Medea And Other Plays Oxford Worlds Classics sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter atrium.finalsclub.org, Medea And Other Plays Oxford Worlds Classics PDF eBook download haven that beckons readers into a world of literary wonders. In this Medea And Other Plays Oxford Worlds Classics review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of atrium.finalsclub.org lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-

turners, the library pulsates with life. The Medea And Other Plays Oxford Worlds Classics of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Medea And Other Plays Oxford Worlds Classics is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Medea And Other Plays Oxford Worlds Classics, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Medea And Other Plays Oxford Worlds Classics within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Medea And Other Plays Oxford Worlds Classics

excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Medea And Other Plays Oxford Worlds Classics paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Medea And Other Plays Oxford Worlds Classics is a symphony of efficiency. The user is greeted with a straightforward

pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes atrium.finalsclub.org is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download of Medea And Other Plays Oxford Worlds Classics is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

atrium.finalsclub.org doesn't just offer Medea And Other Plays Oxford Worlds Classics; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This

interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, atrium.finalsclub.org stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. Its not just a Medea And Other Plays Oxford Worlds Classics eBook download website; its a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Medea And Other Plays Oxford Worlds Classics

We take pride in curating an extensive library of Medea And Other Plays Oxford Worlds Classics PDF eBooks, carefully selected to cater to a broad audience. Whether youre a fan of classic literature,

contemporary fiction, or specialized non-fiction, youll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. Weve designed the user interface with you in mind, ensuring that you can effortlessly discover Medea And Other Plays Oxford Worlds Classics and download Medea And Other Plays Oxford Worlds Classics eBooks. Our search and categorization features are intuitive, making it easy for you to find Medea And Other Plays Oxford Worlds Classics.

Legal and Ethical Standards

atrium.finalsclub.org is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Medea And Other Plays Oxford Worlds Classics that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively
