*Science-Christianity and Church Activities in the
Samoan Islands* Fuimaono Fini Aitaoto

2024-03-05 Following up on his first two books
on Church events and the history of the
Assembly of God Church in American Samoa,
author Fuimaono Fini Aitaoto delves deeper into
new science discoveries as they relate to
Christianity. If you're interested in Church-
related events on the Samoan Islands during the
early twenty-first century, then you need this
book. There are no known local sources on the
progress of the various churches in the Samoan
islands during this period and this book provides
updated information to fill that void. This book is
geared mainly for Bible college students and
researchers and the author explores issues
including traditions, translations, Climate
Change, law and politics. His contemporary
perspectives and commentaries provides an
inclusive and deeper examination of church
operations within the Samoan Islands and
Samoan churches abroad.
