Parvana Deborah Ellis 2022-08-30 Based on real-life events, Parvana is the compelling story of a young girl in Afghanistan who is determined to provide for herself and her family. This bestselling novel is recommended by Malala Yousafzai and continues to inspire young readers around the world.

Extra Series 1906

One More Mountain: a Parvana Story Deborah Ellis 2022-11 From the master storyteller of the bestselling Parvana books comes a timely new novel set in contemporary Afghanistan, featuring Parvana and Shauzia continuing their mission to protect women and girls from their dire reality under the rules re-imposed by the Taliban.

My Name Is Parvana Deborah Ellis 2012-08-08 The fourth book in the internationally bestselling series that includes *The Breadwinner*, *Parvana's Journey* and *Mud City*. In this stunning sequel, Parvana, now

fifteen, is found in a bombed-out school and held as a suspected terrorist by American troops in Afghanistan. On a military base in Afghanistan, after the fall of the Taliban in 2001, American authorities have just imprisoned a teenaged girl found in a bombed-out school. The army major thinks she may be a terrorist working with the Taliban. The girl does not respond to questions in any language and remains silent, even when she is threatened, harassed and mistreated over several days. The only clue to her identity is a tattered shoulder bag containing papers that refer to people named Shauzia, Nooria, Leila, Asif, Hassan — and Parvana. In this long-awaited sequel, Parvana is now fifteen years old. As she waits for foreign military forces to determine her fate, she remembers the past four years of her life. Reunited with her mother and sisters, she has been living in a village where her mother has finally managed to open a school for girls. But even though the Taliban has been driven from the government, the country is still at war, and many continue to view the education and freedom of girls and women with suspicion and fear. As her family settles into the routine of running the school, Parvana, a bit to her surprise, finds herself restless and bored. She even thinks of running away. But when local men threaten the school and her family, she must draw on every ounce of bravery and resilience she possesses to survive the disaster that kills her mother, destroys the school, and puts her own life in jeopardy. A riveting page-turner, Deborah Ellis's final novel in the series is at once harrowing, inspiring and thought-provoking. And, yes, in the end, Parvana is reunited with her childhood friend, Shauzia. The paperback edition includes a new cover and map, and an author's note to provide background and context. Royalties from the sale of this book will go to Right to Learn Afghanistan.
