Geometry

PRACTICE definition: 1. action rather than thought or ideas: 2. used to describe what really happens as opposed to what.... Learn more. Practice can be a noun or a verb, but either way it's about how things are done on a regular basis. You can practice shotput every day because your town has a practice of supporting track-and-field events. practice suggests an act or method followed with regularity and usually through choice. 1. a usual or customary action or proceeding: it was his practice to rise at six; he made a practice of stealing stamps. Apr 14, 2026 · Noun practice (usually uncountable, plural practices) Repetition of an activity to improve a skill. In the UK, 'practice' is a noun (like preparation), but 'practise' is a verb (like to prepare). The difference between practice and practise

only affects those following British writing conventions. the action or process of performing or doing something: to put a scheme into practice; the shameful practices of a blackmailer. the exercise or pursuit of a profession or occupation, esp. law or medicine: ...
