If you're Tyre "Indiana" Rasmussen, you would. Tyre's reputation for unorthodox treasure hunting is matched only by his reputation for breaking hearts. The ever-professional Troya Twamley is determined to get her hands on the secret journal of a great explorer, even if that means joining forces with the sexy renegade and his oddball crew. Tyre and Troya think they're about to discover an ancient treasure, but instead find a horror that might end their torrid affair-and their lives. Warning: This story is graphic! Do not read if you dislike hot naked

archaeologists doing the Mayan horizontal mambo, exotic locales, and spine-tingling suspense. If breathing and pulse rate increase, seek help immediately.
