Anomaly Tonya Kuper 2014-11-25 Reality is only an illusion. Except for those who can control it... Worst. Birthday. Ever. My first boyfriend dumped me—happy birthday, Josie!—my dad is who knows where, I have some weird virus that makes me want to hurl, and now my ex is licking another girl's tonsils. Oh, and I'm officially the same age as my brother was when he died. Yeah, today is about as fun-filled as the swamps of Dagobah. But then weird things start happening... Like I make something materialize just by thinking about it. When hottily-hot badass Reid Wentworth shows up on a motorcycle, everything changes. Like, everything. Who I am. My family. What really happened to my brother. Existence. I am Oculi, and I have the ability to change reality with my thoughts. Now Reid, in all his hotness, is charged with guiding and protecting me as I begin learning how to bend reality. And he's the only thing standing between me and the secret organization that wants me dead... The Schrodinger's Consortium series is best enjoyed in order. The Revolution of Ivy Amy Engel 2015-11-03

"Engel makes good use of her setting; the fight for survival on the cusp of winter stokes the sense of danger in a way that matches Ivy's roiling feelings, and the love story moves with the slow-growing heat that Ivy needs." —Kirkus Reviews I am still alive. Barely. My name is Ivy Westfall. I am sixteen years old and a traitor.

Three months ago, I was forced to marry the president's son, Bishop Lattimer—as all daughters of the losing side of the war are sold off in marriage to the sons of the winners. But I was different. I had a mission—to kill Bishop. Instead, I fell in love with him. Now I am an outcast, left to survive the brutal savagery of the lands outside of civilization. Yet even out here, there is hope. There is life beyond the fence. But I can't outrun my past. For my actions have set off a treasonous chain of events in Westfall that will change all of our fates—especially Bishop's. And this time, it is not enough to just survive... The Book of Ivy series is best enjoyed in order. Reading Order: Book #1 The Book of Ivy Book #2 The Revolution of Ivy

The Book of Ivy Amy Engel 2014-11-11 Discover the New York Times bestseller that SLJ called "A fantastic plot that makes readers think about the blurred lines between right and wrong." After a brutal nuclear war, the United States was left decimated. A small group of survivors eventually banded together, but only after more conflict over which family would govern the new nation. The Westfalls lost. Fifty years later, peace and control are maintained by marrying the daughters of the losing side to the sons of the winning group in a yearly ritual. This year, it is my turn. My name is Ivy Westfall, and my mission is simple: to kill the president's son—my soon-to-be husband—and return the Westfall family to power. But Bishop Lattimer is either a very skilled actor or he's not the cruel, heartless boy my family warned me to expect. He might even be the one person in this world who truly understands me. But there is no escape from my fate. I am the only one who can restore the Westfall legacy. Because Bishop must die. And I must be the one to kill him...
