Creating Positive Classroom Climate Maureen Connolly 2022-10-17
Creating Positive Classroom Climate: 30 Practical Teaching Strategies for All School Contexts is designed for all K-12 educators, pre-service teachers, and teacher preparation faculty. We wrote this book to provide readers with accessible tools that can help them create and maintain an optimal classroom climate. Reading this book is like being in the room with 30 teacher mentors from different grade-levels and school settings who are sharing strategies for building and maintaining a positive classroom climate. Discover step-by-step breakdowns of how to implement each strategy as well as professional reflections from contributors representing two different grade-levels and a range of suburban and urban settings from all over the globe. Education students and novice teachers will learn from the in-depth descriptions of how to implement each strategy. Veteran teachers will be inspired by contributing teachers' professional reflection regarding why and how they utilize each strategy. Readers in ALL school contexts will benefit from narrative descriptions of each strategy in action, which bring to life the ways that the strategies have made an impact on student learning and teacher development. The adaptations modeled throughout the book, based on students' and schools' assets and needs, help readers to think about how to make each strategy a good fit for their unique classroom. If you are looking for practical ideas from the field, look no further - this is a book designed to build your teaching toolbox with classroom climate strategies that you will use for years to come.

Big Talk Kalina Silverman 2026-02-24 From the wildly popular and innovative creator of @MakeBigTalk, a practical and comprehensive guide to forming deeper connections to combat loneliness and strengthen existing relationships Our world is increasingly connected—yet so many people feel alone and without purpose. Big Talk offers a powerful antidote. With simple tools and inspiring real-life stories, Kalina Silverman shares how you can go beyond small talk and unlock hidden emotional depths in everyday interactions—whether with a stranger, a friend, a coworker, a community member, a family member, a partner, or even yourself. What began as one young woman's mission to fight loneliness has since grown into a global movement, featured in major media and used in schools, workplaces, governments, and communities around the world. In this book, Silverman distills more than a decade of insights from “making Big Talk” into easy-to-apply questions, prompts, and techniques that will help you: overcome social anxiety and start more meaningful conversations; deepen relationships and build new ones that last; foster empathy, trust, and belonging in your community; create spaces where truth, vulnerability, and real connection can thrive; and make everyday moments, from date nights, to workplace chats, to vacations, to neighborly exchanges, more meaningful and memorable. Concise, practical, and full of heart, Big Talk is for anyone who's tired of small talk and ready to have conversations that matter.
