Highland Wolf Pact Selena Kitt 2014-10-06 Sibyl Blackthorne isn't afraid of anything—except maybe being sold into marriage to a man she doesn't love. A man she's never even met. A man who, by reputation, is one of Scotland's cruelest lairds in over a century. But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away. On an organized hunt for wolves—or, as the Scots call them, wulvers—Sybil escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

A Modern Wicked Fairy Tale: Bluebeard Selena Kitt 2012-04-13 Do you love fairy tales? Then don't miss these happily ever afters! A BRAND NEW Modern Wicked Fairy Tales series from Selena Kitt! In this modern version of the fairy tale classic, who wouldn't want to marry a rock star? That's what Petra told herself when she agreed to fly from Minsk to Los Angeles—a mail-order bride to the lead singer of Bluebeard, one of the most popular American rock bands of the twentieth century. The question really was—why would a rock star want to marry her? Find out in this modern take on the Bluebeard fairy tale by Selena Kitt! EXCERPT: Blue leaned in close, whispering into her ear. “Guess what?” “What?” She looked up at him, inquisitive, his presence making her already racing heart skip beats, fighting the urge to put her arms around him. “I gave Max and Mrs. Ribya the day off.” Blue slipped his arms around her waist, lifting her, breathing in her scent. She gasped, crying out in surprise at his touch. “You did? Why?” “Because you've been a very, very bad girl.” He nuzzled her neck, his hands moving lower, oh god, grabbing her ass, lifting her higher! “And you need to be punished.” “Blue!” She cried out as he squatted down, easily hefting her over his shoulder. She squealed all the way down the hall, wiggling on his arms. “What are you doing? Put me down? Milyi!” The poor little pug was only one left in the house she could call for help! “He's locked in your room, remember?” Blue smacked her ass—hard! “By the way, he dropped the key under the dining room table.” “How did you...?” But of course he knew. Her heart sank. The cameras. They were

everywhere. And Max. Had he been watching? Oh god, he would have told Blue everything. “Please, put me down. Let me explain.” “Stop talking.” SLAP She cried out again. He was angry—an emotion she didn't often see in him. She could tell by the way he strode down the hall, her body bouncing as he carried her down the stairs. “I'm going to give you one more chance to do as I say.” One more chance. She took a deep breath, closing her eyes, praying he was taking her to his bedroom. Oh, god, his unlocked bedroom. He knew she'd been in there too. And were there cameras...? No! “You're familiar with this room, aren't you?” Her eyes flew open as she twisted, trying to see. He strode through the carved door, slamming it hard behind him. Was this it, then? Would she be one of those mail-order brides murdered by their American husbands? “Blue, please,” she begged. My god, he'd her carried across the whole house, down a flight of stairs, and he hadn't even broken a sweat! Then he was opening the second the door, the one she hadn't unlocked. He didn't use a key. She saw it all upside down, making it even more surreal. There was a bed in the corner, similar to the one in his room, a four-poster. Over the bed there were decorations on the wall, things reminiscent of his concert days—floggers, crops, ball-gags, handcuffs. Then he was sitting, putting her upright in front of him, pulling her into his lap. Her head swam and she clung to him, so surprised by his nearness, the way he grabbed her, touched her, after months of so much distance between them. “Where are we?” she whispered, wanting to look around more, but unable to take her eyes off his. They were dark, animalistic—and angry. She wiggled in his lap and he grabbed her hips, growling low in his throat. “Hold still,” he hissed. “Don't make me tear this dress off you.” The blood drained from her face, heading straight between her thighs. A Modern Wicked Fairy Tale: Beauty Selena Kitt 2011-04-29 Do you love fairy tales? Then don't miss these happily ever afters! In this modern retelling of a fairy tale classic, former beauty queen Jolee Mercier finds herself in big trouble, locked in the trunk of her husband's BMW on her way to a remote location in

the woods of northern Michigan where she's going to be killed. Her crime? Knowing too much. An anonymous letter arrived addressed in her name with proof that her husband, Carlos, a state logging and mining mogul, had been the one responsible for her father's death years earlier, killed for supporting the unions at a local logging camp. When a terrible accident ends her husband's plan to kill her, Jolee wakes up alone in a cabin in the middle of the woods, rescued by a masked man they call "the beast," with a husband who wants her dead, and miles of state forest between her and civilization. EXCERPT: Jolee could never stay out of trouble for long and being locked in the trunk of Carl's black BMW was no exception to that particular rule of her life. She'd given up trying to kick the side of the car to make noise—luxury car makers practically sound-proofed their trunks. Who knew? She wondered if engineers considered scenarios like this one—after all, any rich husband might have to enlist his hit men tie up and toss his troublesome wife into the trunk for easy disposal, right? Besides, her feet were secured with zip ties, as were her hands, which stretched painfully behind her back. They didn't use duct tape—too easy to wiggle out of—except for the pieces over her mouth. And even those weren't just slapped on—they'd used the roll to wrap the silver stuff around and around her mouth and jaw in layers. Carl's guys knew exactly what they were doing. Of course they did. It was their job. There was just no way out of this bit of trouble. That realization finally hit her in the darkness, the car's wheels crunching gravel for a long time now, off the highway she surmised, the suspension bouncing her violently up and down. This was going to be the last batch of trouble she ever got herself into in the whole expanse of a life that seemed suddenly very short. She'd been so focused on escaping or finding a way out since Carl's goons had grabbed her out back—zip-tied and duct taped before she could even raise the snow shovel she'd been using—that this final realization hit with such force Jolee actually wet herself, urine staining the crotch of her jeans with spreading navy blue darkness. She was going to die. Keywords: Alpha Male, Steamy Romance, Sex Stories, Erotic, Erotica, New Adult, Thriller Suspense, Fairy Tales, Fairy Tale Retelling

By the time Father Mark realizes his mistake, it's too late—Emily has fallen for him, and he for her. God help them both. Warning:

This title contains hot, steamy nobody-writes-it-like-Selena-Kitt sex between alpha authority figures and their subordinates! EXCERPT: "How are you doing otherwise? How are classes?" She smiled at his interest. Father Mark was always so kind. "Good. Thanks for loaning me that book on Catholic Saints. It was just what I was looking for." "So are you going to tell me which saint you were researching?" He sat back, tenting his fingers and looking at her. Sometimes when he looked at her, she felt almost naked, like he was seeing not just through her clothes, but fully into her somehow. "Oh, it wasn't for a class." She flushed. "It was just for me." He cocked his head at her. "Which one called to you?" "Saint Lucy." There was no point not telling him. She knew he'd get it out of her eventually. He had a way of making her want to confess things, even when she wasn't in the confessional. He nodded, just waiting, somehow knowing she was going to continue, and she did. "She's the patron saint of the blind. I had a dream that I was going blind." He raised his eyebrows. "Scary?" "No, actually. I dreamed I was going blind, but I could see everything. I was just seeing it...from inside." She glanced at him, seeing the quizzical look on his face. "It's hard to explain." "I think I understand." He leaned forward, putting his elbow on his desk, cupping his chin in his hand. She could see the dark hairs covering his forearm. "Do you know how Lucy lost her sight?" "Yes. She plucked out her own eyes and sent them to the man who admired them." "Why, do you think?" Emily shrugged. "Well, the book said it was because she wanted to give her heart to God, not to a man. So when her admirer said she had beautiful eyes, she plucked them out to prove that her beauty wasn't external, and she was devoted only to God." "Why do you think she did it?" "I think..." Emily looked up, meeting his eyes fully. "I think she was afraid." "Afraid? Of what?" Father Mark looked surprised. "Doesn't it take a great deal of courage to pluck out your own eyes?" "I think it was cowardice." She bit her lip, watching his reaction. "I think she was afraid of love." Father Mark stood, coming around to the other side of the desk to lean against it in front of her. "But Lucy loved God." "Yes," Emily agreed, looking up, up, into his handsome face. "But she was afraid of men. Of the way they looked at her. Admired her. I think she wanted to make herself ugly, so no one would notice her." He seemed to contemplate this, and she noted the way his gaze fell on her hemline, where she was playing with the edge of her uniform skirt. "But God restored her sight," he reminded her. "Yes, and made her eyes more beautiful than ever." "Proving that no matter what you do, you can't hide inner beauty." He smiled, reaching out to tuck a stray strand of hair behind her ear. "You're a very beautiful girl, Emily. There's just no hiding it." Emily's heart swelled in her chest, even though she knew she shouldn't be feeling what she was. He was so close she could smell him, a clean scent, like soap, and something else, masculine and heady. She was intoxicated by his dark green gaze, fixed in her chair, all of their long conversations constellated in that moment, hours spent in this office talking about everything from school and her scholarship to one of the most prestigious Catholic girls' colleges in the country, to her overprotective mother and her long-dead father whose image glowed like an angel in the distance of her memory. "I don't try to hide it with you." She turned her face so his palm was cupping her cheek, relishing the touch of his skin against hers. Was this really happening? "You make me feel beautiful." "You are. You really are," he whispered hoarsely, his thumb moving along the line of her jaw, sending little shivers through her. "I love you, Father." Emily turned and kissed his palm, eyes closed, breathing in his scent, her confession bubbling up without thought. "I love you." The silence stretched between them and she didn't need to open her eyes to feel his shock, she could see it clearly enough with her eyes closed. But he didn't move his hand from her cheek, didn't withdraw. Instead, his hand moved down to her shoulder, his finger moving along the sensitive area of skin over her collarbone, tracing it under the open V of her blouse. She held her breath, waiting, hoping, praying, not daring to move. "Emily..." He whispered her name and the sound was heaven. "Oh God, help me..." He kissed her and the sensation carried her skyward. She wrapped her arms around his neck, reveling in the hot press of his lips, the way he gathered her to him, pressing his hands to the small of her back so her hips met his under his robe. There was no mistaking the hard steel of him pressed against her pelvis. Keywords: Alpha Male, Steamy Romance, Sex Stories, Erotic, Erotica, New Adult, Priest, Taboo, Forbidden

If only she hadn’t forgotten the damned pump! “I’m leaking like crazy. It’s killing me! They’re so tender!” Jaime wailed, pulling a wad of paper towel out. It was literally dripping with milk. “What am I going to do? I don’t want to have to go home.” “I know, hon, me neither.” Caroline cocked her head, frowning as she watched Jaime reach for toilet paper, wadding it up in her hand. Caroline stopped her. “Wait.” Jaime looked up, quizzical. “You got a better idea?” “I actually do.” Caroline took her friend’s hands, pulling her to her feet. Their eyes locked and Caroline felt a flutter of excitement and anxiety in her belly. “Do you trust me?” “Yeahhhh...” Jaime’s face told a different story, but she allowed Caroline to move around her, the women trading places, Caroline sitting and Jaime standing. “Okay, close your eyes,” Caroline instructed. “What?” “Trust me.” She was drunk, she knew it—and maybe, she decided, she could use that as an excuse later. She’d done a lot of things that seemed like a good idea at the time when she was drunk, things she had simply wanted to do but hadn’t the courage. This, she decided, was one of those situations where she might say she was remorseful later and blame it on the margaritas—but in her heart, she knew she wouldn’t really regret it for a minute. “Okay.” Jaime sighed, closing her eyes and shaking her blonde head as Caroline began to lift her friend’s shirt up over her belly. “What are you—?” “Shh!” Caroline chided, pulling Jaime’s shirt off and gently freeing her heavy breasts from her sports bra. “Keep them closed.” Jaime was nude from the waist up now, wearing just a black mini and heels, and she was shivering. Her nipples were hard and beads of milky-white fluid gathered at the tips, falling in fat droplets to the bathroom floor. Caroline took in the breathless sight of her briefly before cupping one of her friend’s breasts in her hands and beginning to suckle. “Caroline! No! Oh my god! No! What...?” Caroline didn’t let up, suckling hard, swallowing deeply. She hadn’t given any thought to how breast milk and margaritas were going to mix, but Jaime’s milk was sweet and went down like cream. Jaime’s hands went to Caroline’s hair, at first attempting to push her off, her thin, lithe body squirming against the side of the bathroom stall as if she could wiggle away. “Nooo!” Jaime wailed, but Caroline watched her friend’s face, seeing the immediate relief there. “Oh... oh... that’s... that’s so much better already!” Keywords: Lesbian romance, Steamy Romance, Virgin, Erotic Sex Stories, Barely Legal, First Time, Erotica
