The International Air Transport Association (IATA) is the trade association for the world's airlines, representing some 360 members. We support aviation activity and help formulate aviation policy. IATA is an international association that brings together airlines from around the world to promote cooperation, standardize processes, and enhance aviation safety. The definitive source for IATA, ICAO and other travel codes.

Instantly find codes for airports, airlines, cities and more. To prevent Laker Airways from disrupting IATA's price fixing regime, IATA members allegedly [weasel words] conspired to undercut prices on shared routes, seeking to bankrupt Freddie Laker's airline. The International Air Transport Association (IATA) represents and serves airlines with advocacy and global standards for safety, security, efficiency, and sustainability.
