Saul Bellow's Herzog 1973

Herzog Saul Bellow 2001 *Herzog* is alone, now that his wife Madeleine has left him for his best friend. Solitary, in a crumbling house which he shares with rats, he is buffeted by a whirlwind of mental activity. People are rumouring that his mind had collapsed. But is it true? Locked for days in the custody of his rambling memories, *Herzog* scrawls frantic letters which he never mails. His mind buzzes with conundrums and polemics, writing in a spectacular intellectual labyrinth. Is he crazy, or is he a genius? In one of his finest achievements, Nobel Prize winner Saul Bellow presents a multifaceted portrait of a modern-day hero, a man struggling with the complexity of existence and longing for redemption.

Saul Bellow Saul Bellow 2010-11-04 A never-before-published collection of letters - an intimate self-portrait as well as the portrait of a century. Saul Bellow was a dedicated correspondent until a couple of years before his death, and his letters, spanning eight decades, show us a twentieth-century life in all its richness and complexity. Collected Stories Saul Bellow 2013-08-27 A

collection of treasured stories by the unchallenged master of American fiction A Penguin Classic Nobel Prize winner Saul Bellow has deservedly been celebrated as one of America's greatest writers. For more than sixty years he stretched our minds, our imaginations, and our hearts with his exhilarating perceptions of life. Here, collected in one volume and chosen by the author himself, are favorites such as "What Kind of Day Did You Have?", "Leaving the Yellow House," and a previously uncollected piece, "By the St. Lawrence." With his larger-than-life characters, irony, wisdom, and unique humor, Bellow presents a sharp, rich, and funny world that is infinitely surprising. With a preface by Janice Bellow and an introduction by James Wood, this is a collection to treasure for longtime Saul Bellow fans and an excellent introduction for new readers. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Novels, 1956-1964 Saul Bellow 2007 Passionate, insightful, often funny, and exhibiting a linguistic richness few writers have equaled, the novels of Saul Bellow are among the defining achievements of postwar American literature. The Library of America volume *Novels 1956-1964* opens with *Seize the Day*, a tightly wrought novella that, unfolding over the course of a single devastating day, explores the desperate predicament of the failed actor and salesman Tommy Wilhelm. The austere psychological portraiture of *Seize the Day* is followed by an altogether different book, *Henderson the Rain King*, the ebullient tale of the irresistible eccentric Eugene Henderson, best characterized by his primal mantra "I want!

I want!" Beneath the novel's comic surface lies an affecting parable of one man's quest to know himself and come to terms with morality; like Don Quixote, Henderson is, as Bellow later described him, "an absurd seeker of high qualities." Henderson's irrepressible vitality is matched by that of Moses Herzog, the eponymous hero of Bellow's best-selling 1964 novel. His wife having abandoned him for his best friend, Herzog is on the verge of mental collapse and has embarked on a furious letter-writing campaign as an outlet for his all-consuming rage. Bellow's bravura performance in *Herzog* launched a new phase of his career, as literary acclaim was now joined by a receptive mass audience in America. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.
