The Spanish Home Kitchen José Pizarro 2022-06-09 Hot Dinners Best Cookbooks of 2022 "Full of food that I want to eat, have to cook, and makes me happy just to think about. Quite simply, I love it. I can't see how anyone wouldn't. Frankly, I could cook from this book non-stop." – Nigella Lawson A collection of over 80 best-loved recipes from the heart of chef José Pizarro's Spanish family home. In *The Spanish Home Kitchen*, José Pizarro travels back to his mother's house to draw inspiration from the flavours he grew up with, and shares over 80 of his favourite recipes, gathered from all over Spain. José Pizarro grew up in central-western Spain, in the tiny village of Talaván. His family had been farmers for generations and he spent his childhood on his parent's farm, helping his father produce vegetables, dairy products and different meats. Life in this small village centred on dinner, with great recipes passed from generation to generation through his grandmother, to his mother, and now him. Recipes include: Shoulder of Iberico Pork in Rich Tomato Sauce with Zesty Couscous; Migas with Fried Egg, Chorizo and Bacon; Seared Squid with Caramelised Fennel and Onions and Lemon and Parsley Dressing; Cherries in Aguardiente Syrup with Pistachio Ice Cream. From nostalgic childhood favourites that his mother fed the family, to more modern recipes with his Spanish twist, there's a recipe here for everyone.

Going Within To Get Out Anonymous Girl 2013-12 "...the minute I picked this book up I was on an emotional rollercoaster. It was the most amazing journey to find myself crying one minute and laughing the next with the author's infectious wit and undeniable honesty. The diary entries are so raw and vulnerable, and have been written in a way that I have never experienced before. I identified with many things throughout the book and found myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about. At times it felt like there was nowhere to hide; the words I was reading were so confronting it felt as though they were written just for me! Taking this journey with the author allowed me to deal with what was coming up for me personally, and move past those feelings to a place that felt good for me. With every page that I read I couldn't believe how I was not only totally enthralled in the author's personal life story, but that I was actually also uncovering so much about who I am as a person at my very core. It allowed me to discover the parts of myself that I didn't like or accept yet, and also how to recognise this in my day-to-day life. I have now learned to accurately identify my feelings in each moment of my day, and with some conscious effort also remember to be much more kind and loving towards myself. I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul. What I have gained from reading it is without a doubt the best gift anyone could ever give."

What's So Yummy? Robie Harris 2014-09-23 Acclaimed New York Times best-selling author Robie H. Harris introduces preschoolers to the pleasures of eating healthy, being active, and feeling good. Gus, Nellie, and baby Jake can't wait to go on a picnic! In the morning the family heads to their community garden, then to the farmer's market and the grocery store to gather vegetables, fruit, meat, and other fresh and delicious foods. Readers follow them through the day as they go home to prepare, cook, and pack up the goodies, then cap their day by eating a yummy meal in the park and flying a kite together. Funny, accessible, family-filled illustrations; conversations between Gus and Nellie; and matter-of-fact text combine to show young children how food fuels our bodies — and help them see how healthy eating and drinking, and being active, can make them feel their best for a day full of fun.

the emptiness Albert A. Villalobos 2019-11-14 This book of poetry "the emptiness" I wrote when I was going through some very difficult times in life. After my marriage of 9yrs ended, I realized that I was wrestling with a familiar demon. It was formed some 20yrs earlier right after my relationship had ended with my first love. The demon was in a form of emptiness within me. A definition of emptiness - the state of containing nothing, "The vast emptiness of space" synonyms: void, vacuum, gap, vacancy, hollowness, hole, lack. I had been following a Japanese anime series called "Bleach" created by Tite Kubo. In this anime series, the main character Ichigo Kurosaki would transform into a "Hollow." To mark the beginning of Ichigo's transformation - his eyes would turn yellow, signifying his Hollowfication has begun and then Ichigo became a creature he could not control. Although the state of Hollowfication in the anime series served an entirely different purpose, I chose to use the concept for my book cover, because I felt that when I was going through my hard times that I became a hollow in a sense. You could see the emptiness in my eyes and then I became someone that I could not control. This poetry is very personal, but I want to share it with you. The purpose of publishing this book is to help other people suffering from the same types of hardships as I did. I'm praying that many will be able to connect and relate to my poetry, read and see that I went through exactly what they are and that I made it through all my hardships! And so, will they. I know that if I did not have faith in God, loving family and concerned friends that I would not be here today. If you find that you are going through hardships, then surround yourself with positive influence, pray and give yourself time to heal before you move forward. I hope to inspire others to write. To pursue their dreams and to not give up in life...I pursued my dream and you are holding it in your hand, maybe I should have entitled this book "My dream" Lol. I hope you enjoy this book. This is my first book, written from my heart. I chose to not have it edited. I wanted it published exactly as I wrote it. So, please excuse my grammatical errors. Thank you, Albert A. Villalobos
