Ghost Rig Cliff Patton 1981-11

Soul Blade Aaron Hodges The Three Nations are crumbling. Darkness is gathering. Only one remains to stand against it. Eric stumbles through the wilderness, searching, hunting - desperate for sign of his sister. But the girl is gone, stolen away by the power of the Soul Blade. With each passing hour its hold on her tightens, her spirit fading before the onslaught of its magic. If he cannot save her soon, it will claim her soul. And he will have to kill her. Meanwhile, Gabriel is trapped, imprisoned in the black cells beneath Ardath. The darkness presses in around him, absolute, suffocating. Time, hope, sanity, all have long since slipped beneath the waves of his despair. Only it remains - the unrelenting voice of the demon. It haunts the darkness, tempting him with the promises of freedom. How long can he resist its call? An original epic fantasy novel with dragons, gods and magic, packed with action, adventure, swords and sorcery, by New York Times Bestselling Author Aaron Hodges.

A Soul of Ash and Blood Jennifer L. Armentrout 2023-07-18 Only his memories can save her... A great primal power has risen. The Queen of Flesh and Fire has become the Primal of Blood and Bone—the true Primal of Life and Death. And the battle Casteel, Poppy, and their allies have been fighting has only just begun. Gods are awakening across Iliseeum and the mortal realm, readying for the war to come. But when Poppy falls into stasis, Cas faces the very real possibility that the dire, unexpected consequences of what she is becoming could take her away from him. Cas is given some advice, though—something he plans to cling to as he waits to see her beautiful eyes open once more: Talk to her. And so, he does. He reminds Poppy how their journey began, revealing things about himself that only Kieran knows in the process. But it's anybody's

guess what she'll wake to or exactly how much of the realm and Cas will have changed when she does. #1 New York Times bestselling author Jennifer L. Armentrout revisits Poppy and Casteel's epic love story in the next installment of the Blood and Ash series. But this time, Hawke gets to tell the tale.

Death-angel Jerry N. Williamson 1981 "She stalks the night in search of fresh human blood, Lamia Zacharius, the Death-Angel. She can be a sleek black raven or a large vicious dog hunting for human prey. She can be a menacing female hawk rising into the starless sky or a tall, slender woman with deep hypnotizing eyes into which a man might lose himself forever. She can be all these things and more. As long as she quenches her three-thousand-year-old thirst for blood." --Goodreads.
