Kiss Starter Ashlyn Mathews 2024-11-25 This craziness all started with a kiss at a bar that rocks a hulking mechanical bull. Three different girls with secret lives. Three hunky guys ready to do whatever it takes to protect them. Welcome to the Kiss Starter series. Book One: Before You Ryan Allie Allistar never wanted a fake boyfriend. But to survive the mayhem of a stalker on the loose, an unsolved murder, and a secret double life on the verge of unraveling before her eyes, Ryan will have to convince everyone she and Xander Brody, the sexy rugby team captain, are the "real deal" even if it means crossing the unspoken boundaries of their friend zone. Book Two: Kissing Game Asher Tran has disliked Ezekiel Harrington since the day he yanked on her ponytail and stuck his tongue down her throat on a dare in grade school. When Ezekiel asks for her help passing one of his college classes, Asher counteroffers with a dangerous proposition. Can she reform this bad boy? Book Three: Nora

Ever After Nora avoids physical contact. Galley Rutherford can't get enough of the coeds touching him and him touching them. When a night of trouble brings Nora and Galley in proximity, they're drawn to one another. Author note: Xander, Zeke, and Galley—"the guys"—in the Kiss Starter Series have filthy mouths and worship the f-bomb. But they're filthy hot, too. Read at your own risk.

Kissing Game Ashlyn Mathews 2020-07-10 Sworn enemies Asher Tran has disliked Ezekiel Harrington since the day he yanked on her ponytail and stuck his tongue down her throat on a dare. That was in grade school. Fast-forward to their last year of college and Asher is confident she's changed for the better. Ezekiel? He's the same. Rich. Cocky. Couldn't care less whose feelings he's hurt. Has a following of love-struck coeds. So he plays rugby and has a super fine body? Big deal. A jerk is a jerk. A dangerous proposition When Ezekiel asks for her help—he's failing one of his classes (no surprise there)—Asher counteroffers with a dangerous proposition. It's time someone reforms the bad boy. Putting their hearts on the line But when their arrangement brings them closer than they've ever let anyone in, Asher and Zeke wonder whether their differences will keep them together or tear them apart. a magical journal change Autumn's crazy life? With her fiery red hair, new-girl outsider status, and tendency to be a total klutz, Autumn Falls definitely isn't flying below the radar at Aventura High. Luckily, she makes some genuine friends who take her under their wing.
