Dostoyevsky Fyodor Dostoyevsky 2020-12-07 Through the story of the brilliant but conflicted young Raskolnikov and the murder he commits, Fyodor Dostoyevsky explores the theme of redemption through suffering. "Crime and Punishment" put Dostoyevsky at the forefront of Russian writers when it appeared in 1866 and is now one of the most famous and influential

novels in world literature. The poverty-stricken Raskolnikov, a talented student, devises a theory about extraordinary men being above the law, since in their brilliance they think "new thoughts" and so contribute to society. He then sets out to prove his theory by murdering a vile, cynical old pawnbroker and her sister. The act brings Raskolnikov into contact with his own buried conscience and with two characters -- the deeply religious Sonia, who has endured great suffering, and Porfiry, the intelligent and discerning official who is charged with investigating the murder -- both of whom compel Raskolnikov to feel the split in his nature. Dostoyevsky provides readers with a suspenseful, penetrating psychological analysis that goes beyond the crime -- which in the course of the novel demands drastic punishment -- to reveal something about the human condition: The more we intellectualize, the more imprisoned we become. "Dostoyevsky gives me more than any scientist, more than Gauss." -- Albert Einstein "Dostoyevsky wrote of the unconscious as if it were conscious; that is in reality the reason why his characters seem 'pathological', while they are only visualized more clearly than any other figures in imaginative literature... He was in the rank in which we set Dante, Shakespeare and Goethe." -- Edwin Muir "The greatest crime novel of all time." --Thomas Mann "'Crime and Punishment' remains the best of all murder stories, a century and a third after its publication. We have to read it -- though it is harrowing -- because, like Shakespeare, it alters our consciousness." -- Harold Bloom

Crime and Punishment Fyodor Dostoyevsky 2015-07-14 "A truly great translation . . . This English version . . . really is better." —A. N. Wilson, *The Spectator* Nominated as one of America's best-loved novels by PBS's *The Great American Read* This acclaimed new translation of Dostoyevsky's "psychological record of a crime" gives his dark masterpiece of murder and pursuit a renewed vitality, expressing its jagged, staccato urgency and fevered atmosphere as never before. Raskolnikov, a destitute and desperate former student, wanders alone through the slums of St. Petersburg, deliriously imagining himself above society's laws. But when he commits a random murder, only

suffering ensues. Embarking on a dangerous game of cat and mouse with a suspicious police investigator, Raskolnikov finds the noose of his own guilt tightening around his neck. Only Sonya, a downtrodden prostitute, can offer the chance of redemption. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. Crime and Punishment Fyodor Dostoyevsky
2017-09-30 The two years before he wrote Crime and Punishment (1866) had been bad ones for Dostoyevsky. His wife and brother had died; the magazine he and his brother had started, Epoch, collapsed under its load of debt; and he was threatened with debtor's prison. With an advance that he managed to wangle for an unwritten novel, he fled to Wiesbaden, hoping to win enough at the roulette table to get himself out of debt. Instead, he lost all his money; he had to pawn his clothes and beg friends for loans to pay his hotel bill and get back to Russia. One of his begging letters went to a magazine editor, asking for an advance on yet another unwritten novel - which he described as Crime and Punishment. One of the supreme masterpieces of world literature, Crime and Punishment catapulted Dostoyevsky to the forefront of Russian writers and into the ranks of the world's greatest novelists. Drawing upon experiences from his own prison days, the author recounts in feverish, compelling tones the story of Raskolnikov, an impoverished student tormented by his own nihilism, and the struggle between good and evil. Believing that he is above the law, and convinced that humanitarian ends justify vile means, he brutally murders an old woman - a pawnbroker whom he regards as "stupid, ailing, greedy...good for nothing." Overwhelmed afterwards by feelings of guilt and terror, Raskolnikov confesses to the crime and goes to prison. There he realizes that happiness and redemption can only be achieved through suffering. Infused with forceful religious, social, and philosophical elements, the novel was an immediate success. This extraordinary, unforgettable work is reprinted here in the authoritative Constance Garnett translation. A selection of the Common Core State Standards Initiative.

Dostoevsky plunges into the mind of Rodion Raskolnikov, a destitute former student in the teeming, oppressive streets of St. Petersburg. The novel opens with a vivid description of Raskolnikov's impoverished existence, his room a mere "cupboard or box," and the squalor he endures. Haunted by a desperate idea, he commits a brutal act: the murder of an elderly pawnbroker and her innocent sister, Lizaveta, with an axe. This act is not born of malice, but from a twisted theory that posits the existence of "extraordinary" individuals who are above the law and capable of shaping history. Raskolnikov sees himself as such a man, and the murder as a test of his own will and fortitude.

Crime and Punishment Fyodor Dostoevsky 2017-11-21 A celebrated new translation of Dostoevsky's masterpiece reveals the "social problems facing our own society" (Nation). Published to great acclaim and fierce controversy in 1866, Fyodor Dostoevsky's Crime and Punishment has left an indelible mark on global literature and on our modern world. Declared a PBS "Great American Read," Michael Katz's sparkling new translation gives new life to the story of Raskolnikov, an impoverished student who sees himself as extraordinary and therefore free to commit crimes—even murder—in a work that best embodies the

existential dilemmas of man's instinctual will to power. Embracing the complex linguistic blend inherent in modern literary Russian, Katz "revives the intensity Dostoevsky's first readers experienced, and proves that Crime and Punishment still has the power to surprise and enthrall us" (Susan Reynolds). With its searing and unique portrayal of the labyrinthine universe of nineteenth-century St. Petersburg, this "rare Dostoevsky translation" (William Mills Todd III, Harvard) will captivate lovers of world literature for years to come.

Crime and Punishment Annotated Fyodor Dostoevsky 2021-04-17 "Crime and Punishment is a novel by the Russian author Fyodor Dostoevsky. Crime and Punishment is considered the first great novel of his mature period of writing. Crime and Punishment focuses on the mental anguish and moral dilemmas of Rodion Raskolnikov, an impoverished ex student in Saint Petersburg who formulates a plan to kill an unscrupulous pawnbroker for her money. Before the killing, Raskolnikov believes that with the money he could liberate himself from poverty and go on to perform great deeds. However, once it is done he finds himself racked with confusion, paranoia, and disgust for what he has done. His ethical justifications disintegrate completely as he struggles with guilt and horror and confronts the real-world moral consequences of his deed."

Crime and Punishment Marilyn Campbell 2004 Why do the dark recesses of the human soul endlessly fascinate us? Dostoevsky's classic, celebrated tale of motive and murder, Crime and Punishment is perhaps the greatest and most insightful crime story ever written. In the tortured world of Raskolnikov, questions with psychological, philosophical, and spiritual import arise: What has he done? Why has he done it? What are any of us capable? These haunting questions are intricately woven into this three-actor adaptation, a heart-racing journey into the mind of a criminal.

Crime and Punishment Fyodor Dostoyevsky 2022-05-28 In "Crime and Punishment," Fyodor Dostoyevsky delves into the psychological turmoil of Raskolnikov, a former student plagued by poverty and a misguided theory of exceptionalism. Set against the gritty backdrop of St. Petersburg, the novel showcases

Dostoyevsky's mastery of complex characters and moral dilemmas, employing a realist literary style that intricately weaves philosophical expositions with the narrative's suspenseful progression. Themes of guilt, redemption, and the human condition permeate the text, inviting readers to grapple with the nature of crime and the possibility of salvation in a seemingly indifferent universe. Dostoyevsky, influenced by his own experiences with poverty, exile, and psychological struggle, constructed this seminal work in the context of 19th-century Russian society, which was rife with social injustice and intellectual upheaval. His personal confrontations with faith, nihilism, and morality remarkably shaped his narrative choices, making Raskolnikov's journey a reflection of Dostoyevsky's own existential dilemmas and philosophical inquiries. Recommended for those who seek a profound exploration of human nature, "Crime and Punishment" is a timeless meditation on morality that resonates with contemporary discussions on ethics and psychological introspection.  About the Author: Fyodor Mikhailovich Dostoyevsky's life was as dark and dramatic as the great novels he wrote. He was born in Moscow in 1821. A short first novel, *Poor Folk* (1846) brought him instant success, but his writing career was cut short by his arrest for alleged subversion against Tsar Nicholas I in 1849. In prison he was given the "silent treatment" for eight months (guards even wore

velvet soled boots) before he was led in front a firing squad. Dressed in a death shroud, he faced an open grave and awaited execution, when suddenly, an order arrived commuting his sentence. He then spent four years at hard labor in a Siberian prison, where he began to suffer from epilepsy, and he returned to St. Petersburg only a full ten years after he had left in chains. His prison experiences coupled with his conversion to a profoundly religious philosophy formed the basis for his great novels. But it was his fortuitous marriage to Anna Snitkina, following a period of utter destitution brought about by his compulsive gambling, that gave Dostoyevsky the emotional stability to complete *Crime and Punishment* (1866), *The Idiot* (1868-69), *The Possessed* (1871-72), and *The Brothers Karamazov* (1879-80). When Dostoyevsky died in 1881, he left a legacy of masterworks that influenced the great thinkers and writers of the Western world and immortalized him as a giant among writers of world literature.
