5 minutes Vrinda Singh
2020-01-02 Pooja was a girl, but also the wildest of all animals, and was very precious to her mother. Her mistakes were kept in check by her father, who taught her the tough lessons of life in just 5 minutes. She was born with glitter in her veins, which would attract anyone in 5 minutes. Her innocence was killing, her beauty was enchanting, and her brains were bewitching; still, she was hated and ignored. Digging in the dirt, she got trapped in love with a man 18 years elder to

her. Meetings of 5 minutes cost her decades of life. This book is a short journey of the most independent, most adventurous and most responsible girl of the 21st century, struggling with the old beliefs of Indian society and her commitments to be an ideal daughter, an ideal lover, and an ideal friend. It contains the most thrilling and adrenaline pumping narrative based on true events.

2023-05-13 Rebirth is believed in society and the story is based on rebirth. It is story of such personality who have European mentality and it may be reality that rebirth may hold on. Multi field works and multi-

talented personality like Leonardo Da Vince as artist, Sculptor and engineer works done to all and good for nothing. A Scottish boy came to India with his father as his father remained law advisor of East India British company. It is story that he loves song and dance and culture of medieval India and rebirth again and again in India but decolonization holds on and cultural change held on. He loves a friend in life and believed as best friend in life but left her house as far slightness indicates him that its time come that her marriage holds on near future. Life with struggle and hence avoid to meet with her. After long time when She remember him that to know about friend than he came to meet with her. A miracle feeling execute to mind but life turn time to time.
