Fundamentals instantly makes you feel welcomed, the teachers are friendly and inviting, and I love that my son has been following a curriculum starting at 2 years old. The meaning of FUNDAMENTAL is serving as a basis supporting existence or determining essential structure or function : basic. FUNDAMENTAL definition: serving as, or being an essential part of, a foundation or basis; basic; underlying. See examples of fundamental used in a sentence. The fundamentals of something are its simplest, most important elements, ideas, or principles, in contrast to more complicated or detailed ones. Words related to fundamental are not direct synonyms, but are associated with the word fundamental. Browse related words to learn more about word associations. Bedrock is

literally a hard, solid layer of rock underlying the upper strata of soil or other rock. Thus, by extension, it is any foundation or basis. Used literally as early as 1850 in Nelson Kingsley's Diary, the ... The fundamentals include modularity, anticipation of change, generality and an incremental approach. a basic principle, rule, law, or the like, that serves as the groundwork of a system; essential part to master the fundamentals of a trade Reading, writing, and arithmetic are the fundamentals of education. One way to enable speed is by distilling complex decisions down to the fundamentals, framing them in simple terms and committing to a decision quickly.
