Kieso 1989-02-22 The Sixth Edition retains the traditional strengths of previous editions: accuracy, comprehensiveness, student acceptance, supporting materials, and quality and quantity of end-of-chapter material. Incorporates all FASB Pronouncements through October, 1988. Includes many new exercises, problems, updated illustrations and excerpts, a new software supplement using Lotus 1-2-3 plus a revised pensions chapter.

Intermediate Accounting IFRS Donald E. Kieso
2020-07-08 Essential knowledge of International Financial Reporting Standards for students of global accounting This important work provides the tools global accounting students need to understand international financial reporting standards (IFRS) and how they are applied in practice. This text emphasizes fair value, proper

accounting for financial instruments, and new developments in international accounting. By presenting IFRS in light of current accounting practice, this book helps students gain practical knowledge of the topic that they can apply as they advance into their global accounting careers. With this revised and updated Fourth Edition, students will develop a firm conceptual understanding of IFRS, as well as the ability to integrate their learning through practical exercises. Throughout this text, Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, discussing the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting IFRS includes proven pedagogical tools designed to help students learn more effectively. Comprehensively covers the latest International Financial Reporting Standards and how they are applied in practice Takes a comparative approach to help students understand the

differences between IFRS, U.S. GAAP, and other important standards Emphasizes practical application of knowledge with end-of-chapter Review and Practice sections Provides authoritative references and citations to ensure content reliability and provide opportunities for further study Includes access to video walkthroughs, interactive content, and digital resources to support student engagement and ensure positive learning outcomes As IFRS gains broad acceptance around the world, students of global accounting will need to be intimately familiar with these standards, and prepared to keep up with the rapid changes in the international environment. Intermediate Accounting IFRS answers to these pressing needs, making it the clear choice for accounting courses at the intermediate level.

Intermediate Accounting J. David Spiceland
2005-11 Adopters and reviewers praise
Intermediate Accounting, 4e, by

Spiceland/Sepe/Tomassini for its superior readability, strong supplements package/learning system, good EOC, real-world flavor, consistent quality; and high student engagement. SST 4e will gain support in both traditional and progressive accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts. The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure, but why it's applied. SST 4e is built around a "Learning System" designed to prepare students for the new CPA exam and the business world, by emphasizing decision making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student. SST 4e also provides a flexible and consistent supplemental package for instructors.

Intermediate Accounting Donald E. Kieso 2022-04-26 Intermediate Accounting by Donald Kieso, Jerry Weygandt, and Terry Warfield has always been, and continues to be, the gold standard. Through significant updates, the 18th Edition presents a refreshed, accessible, and modern approach with new perspectives that help connect students to the what, the why, and the how of accounting information. In the intermediate accounting course, it can be difficult for students to understand the technical details and retain and recall core course topics. To move beyond basic understanding, students work through new integrated practice right at the point of learning and high-quality assessment at varying levels, helping them to learn concepts more efficiently and create

connections between topics and real-world application. Throughout the course, students also work through various hands-on activities including Critical Thinking Cases, Excel Templates, and Analytics in Action problems, all within the chapter context. These applications help students develop an accounting decision-making mindset and improve the professional judgement and communication skills needed to be successful in the profession. With Intermediate Accounting, 18th Edition, you will be able to spark efficient and effective learning, help create the bridge to student success, and inspire and prepare students to be the accounting professionals of tomorrow.

Intermediate Accounting, Volume 1 Donald E. Kieso 2019-04-16 This is the unbound, loose-leaf version of Intermediate Accounting, 17th Edition, Volume 1. This book is written by industry thought leaders, Kieso, Weygandt, and Warfield and is developed around one simple proposition: create great accountants.

Upholding industry standards, this edition incorporates new data analytics content and up-to-date coverage of leases, revenue recognition, financial instruments, and US GAAP & IFRS. While maintaining its reputation for accuracy, comprehensiveness, and accessibility, Intermediate Accounting drives results by helping students build professional competencies through reliable problem material.
