

Introduction To Epc Project Management

Feb 25, 2026 · To write an introduction, start with a question, a bold statement, a quote, or a simple story to grab your audience's attention and give them a hint of what's to come. A good introduction should identify your topic, provide essential context, and indicate your particular focus in the essay. It also needs to engage your readers' interest. An introduction refers to a beginning — maybe presenting someone new to a group, or inserting a new idea into a project. In a piece of writing, the introduction makes clear to the reader the text's purpose. This handout explains the functions of introductions, offers strategies for writing effective ones, helps you check drafted ones, and provides examples.
