Ink of Fate Hunter Graves 2025-05-11 Two souls from different worlds. Two strangers brought together by chance-or was it fate all along? What began as a simple encounter soon became the first chapter of a love story neither of them saw coming. Their connection was undeniable, their bond unshakable. But the world had other plans. As they fight against forces determined to tear them apart, their love is tested in ways they never imagined. She is his most cherished possession, and he is her greatest strength-but will that be enough? Will destiny write them a happy ending, or will they become just another tragedy inked by fate? Step into their story. Feel

their love, their struggles, their passion. Ink of Fate-where hearts are bound by duty and tied by love.

Human First: From Boy to Healer Dr Yogesh A Gupta Human First: From Boy to Healer- A raw, heartfelt journey of a small-town boy who dreamed of cricket glory but ended up with a stethoscope around his neck. From the terrified first-year facing ragging and dissection halls to the battle-hardened resident surviving Gujarat's devastating earthquake and brutal communal riots, Dr. Yogesh's story is medicine stripped bare — the sleepless nights, the impossible choices, the laughter in duty rooms, and the quiet tears after lost patients. Through chaos, pandemics, quirky juniors, and the unforgiving

world of private practice, one truth holds him together: in the end, it's not the degree or the expertise that matters most — it's staying human. Funny, unflinching, and deeply moving, *Human First* is a love letter to the doctors who heal others while learning, one crisis at a time, how to heal themselves. Perfect for anyone who's ever wondered what it really takes to wear the white coat — and still keep a heart inside it.
