*The Black Baptist Experience in Canada* Gordon L. Heath 2025-04-08  
This groundbreaking book is a history of the Black Baptist experience in Canada. It includes diverse and informative chapters on events, themes, and organizations such as the underground railway, gender, architecture, literature, civil rights, empire, and associations. It also focuses on several key early churches from the West Coast to the East Coast, along with important personages such as Washington Christian, Jennie Johnson, David George, William White, William Troy, and William M. Mitchell.

How to Feng Shui Your Garden Gill Hale 2000 "Feng Shui is an environmental science and its origins are simple. It is based on the ancient Chinese interpretation of the natural world, and on observation of the movement of the heavenly bodies to determine the passage of time. In the modern world, the natural processes at work in the garden allow us to remain in touch with nature and with the eternal rhythms of the universe." --p. 6.

**Safe as Houses** Eric Walters 2007 A babysitter and her two charges escape to the roof of a house during Hurricane Hazel on October 15, 1954, but they are not safe there.

**Safe As Houses** Eric Walters 2010-05-14 The date is October 15, 1954. Thirteen-year-old Elizabeth, who lives in the Toronto suburb of Weston, is a typical grade 8 girl. She has a secret crush on a boy in her class and she thinks Elvis Presley is "dreamy." Elizabeth also has a part-time job babysitting an adorable little grade 2 girl named Suzie, and Suzie's not-so-adorable grade 6 brother, David. Elizabeth's job is to walk Suzie and David home after school and then stay at their house with them until their mother gets home from work. David resents Elizabeth because he thinks he is too old for a babysitter, and he goes out of his way to make life miserable for her. On this particular evening, however, Elizabeth has more than a badly behaved boy to contend with. It is on this October night that Hurricane Hazel roars down on Toronto, bringing torrential rains that cause extensive flooding. David and Suzie's house is on Raymore Drive, a street that will be practically wiped out by the floodwaters. David and Suzie's parents are unable to reach the house, which means the children's safety on this most deadly of nights is Elizabeth's responsibility. She finds herself increasingly isolated. They are surrounded by rising water. The electricity goes out. The phone goes dead. Still, Elizabeth is sure they will be safe as long as they remain in the house. But are Elizabeth and the children really as "safe as houses"? Before this terrifying night is over, Elizabeth and David will have to learn to communicate and cooperate if they are to save their own lives and Suzie's. Their survival in the midst of one of Canada's worst disasters will depend upon their resourcefulness, maturity and courage.

**To Stand and Fight Together** Steve Pitt 2008-02-08 In 1812, a 67-year-old black United Empire Loyalist named Richard Pierpoint helped raise "a corps of Coloured Men to stand and fight together" against the Americans who were threatening to invade the tiny British colony of Upper Canada. Pierpoint's unique fighting unit would not only see service throughout the War of 1812, it would also be the first colonial military unit reactivated to quash the Rebellion of 1837. It would go on to serve as a police force, keeping the peace among the competing Irish immigrant gangs during the construction of the Welland Canal. Pierpoint and the Coloured Corps are the central focus, but the sidebars featuring fascinating facts about the rise and fall of slavery in North America and the state of African-Canadians in early Canada provide an entertaining and informative supplement. Among other tidbits, readers will find out why "Good Queen Bess" launched the British slave industry and how Scottish pineapples are connected to the American Declaration of Independence.

**This Is a Great Book!** Larry Swartz 2015-09-30 "This Is a Great Book " is rooted in the belief that having a wide range of "great" books to read is essential to student success as readers inside the classroom ... and

beyond. Based on extensive research, this highly readable book explores a wide range of recommended titles that cover a spectrum of developmental stages for readers of chapter books to young adult novels. It presents novels around popular themes and features guest voices that include innovative teachers, librarians, booksellers, and students. Numerous activities and literacy events form the core of this valuable resource. Reproducible pages include response activities, reflection tools, assessment profiles, and inventories for easy classroom use. Committed to nurturing the love of reading, the book invites readers to dig deeper in their understanding and appreciation of books by responding through writing, discussion, the arts, media, and more. Special attention is given to the world of independent leisure reading, where students make choices based on their preferences and tastes. Experienced and new teachers will find fresh ideas and the tools they need to guide students to "great" books that will make a difference in their lives.
