Tantric Sex Paul Kain 2017-04-25 Have you ever heard of Tantric Sex? Many people have never heard of it and for those who have, the majority of them are under the misconception that it is all about having long, mind-blowing sex. Although there are sexual components to this belief, it is mainly about going on a spiritual journey to enlightenment and having a deeper connection to the universe around you. There are many steps in this journey to enlightenment, starting with learning certain breathing techniques, which then leads into learning about the importance of balancing your chakras and maintaining that balance. Tantric belief is that everything is connected. Once your chakras are balanced, you can really begin to have fun. Couples are amazed with how they feel after mastering Tantra. Relationships that were once rocky have become more stable, and the partners often feel more connected not only to each other but also to their surroundings. Tantric exercises also help those who are not in relationships. It teaches people how to feel better about themselves, on the inside and out. The Art of Everyday Ecstasy Margot Anand 2015-02-18 "Ecstasy is about waking up and finding that you are in love with life." Most people think of ecstasy in terms of sexual ecstasy, which Tantric sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy*. Now, in *The Art of Everyday Ecstasy*, Anand expands our definition of ecstasy and shows how we can harness its energy to help us live, work, and love more passionately, joyfully, and with true spiritual focus. Our modern, work-obsessed, stress-filled culture--what Anand calls the "anti-ecstatic conspiracy"--has dulled our spirits, thrown us off balance, and alienated us from meaningful everyday experiences. In this inspirational journey toward finding the healing nature of ecstasy, Anand explains how the two types of ecstatic experiences--the moments of epiphany called Ecstatic Awakenings, and EveryDay Ecstasy, or the Ecstasy of Flow, a connection to our power and inner wisdom--can help us move beyond pain and doubt to reach our highest potential. Based on the spiritual path of Tantra, Anand shows how to use the natural energy system of our bodies--the seven chakras--as a map to ecstasy. As she guides us through the chakras, she explains how each one plays an important role in transforming energy into erotic passion, healing, empowerment, compassion, creativity, insight, and gratitude. Blocked chakras manifest themselves in surprising ways; wholeness can be achieved only when all of the chakras are open with energy flowing freely. By transforming negative behavioral patterns into positive ones and strengthening ourselves physically, emotionally, and spiritually, we can improve our health, sex life, career, relationships, and find profound meaning in everyday moments. With personal anecdotes, exercises, meditations, and rituals, *The Art of Everyday Ecstasy* shows us how to bring ecstatic energy into the body, mind, heart, and spirit--"to embrace every moment in our totality, to respond bodily, feel from the heart, perceive with clarity, and be fully present to others and to life."

The Brilliantly Illuminating Lamp of the Five Stages Tsong Khapa 2019-08-06 The most important commentary on Vajrayana from the founder of the Dalai Lama's school of Buddhism. *The Brilliantly Illuminating Lamp of the Five Stages* (rim lnga rab tu gsal ba'i sgron me) is Tsong Khapa's most important commentary on the perfection stage practices of the Esoteric Community (Guhyasamaja), the tantra he considered fundamental for the practice of the "father tantra" class of unexcelled yoga tantras. It draws heavily on Nagarjuna's Five Stages (Pañcakrama) and Aryadeva's Lamp that Integrates the Practices (Caryamelapakapradipa), as well as a vast range of perfection stage works included in the Tibetan canonical (Kangyur and Tengyur) collections. It is an important work for both scholars and practitioners. A reader of this work will find in it convincing evidence for Tsong Khapa's own yogic experience and attainment, in coordination with his better-known philosophical and scholarly achievements. The present revised edition of the work is a cornerstone of the Complete Works of Jey Tsong Khapa and Sons collection, a subset of the Treasury of the Buddhist Sciences series. Comprised of the collected works of Tsong Khapa (1357-1419) and his spiritual sons, Gyaltsap Darma Rinchen (1364-1432) and Khedrup Gelek Pelsang (1385-1438), the numerous works in this set of Tibetan treatises and supercommentaries are based on the thousands of works in the Tibetan Buddhist canon.
