Thr3e Ted Dekker 2010-11-03 By all accounts seminary student Kevin Parsins is leading a good, if not virtuous, life. But like all people, Kevin has his secrets. And someone wants them revealed. While driving home from a day at graduate school, Kevin receives a call from a mysterious stranger who calls himself Slater. Slater demands Kevin confess his sin in the next three minutes or the vehicle he is manning will be blown to pieces. Thus starts a harrowing

chain of events. After narrowly escaping his exploding car, Kevin continues to receive phone calls from Slater, each with another riddle, another consequence, and another three minutes to confess his sin. The problem is Kevin is unsure of what that sin might be. And Slater's cycle won't stop until he figures it out.

Beware of the Other Side(s) Heike Schwarz 2014-03-15 This interdisciplinary study examines the still vivid phenomenon of the most controversial psychiatric diagnosis in the United States: multiple personality disorder, now called dissociative identity disorder. This syndrome comprehends the occurrence of two or more distinct identities that take control of a person's behavior paired with an inexplicable memory loss. Synthesizing the fields of psychiatry and the dynamics of the disorder with its influential

representation in American fiction, the study researches how psychiatry and fiction mutually shaped a mysterious syndrome and how this reciprocal process created a genre fiction of its own that persists until today in a very distinct self-referential mode.

Thr3e; Obsessed Ted Dekker 2009-03-13
Three Ted Dekker 2006-12-10 Imagine answering your cell phone to a mysterious voice

that gives you three minutes to confess your sin or you die. You have one huge problem: you don't have a clue what that sin is. Kevin Parson escaped a twisted childhood and built his own life, leaving his bizarre past behind him. . .until his cell phone rings and a gravelly voice calling himself Slater tells him he has just three minutes to confess his "sin" or his car will be blown to pieces. Kevin panics. Who would make such a demand, and what sin is he supposed to confess? Not sure what else to do, Kevin swerves into a parking lot and runs from his car. . . just in case. Exactly three minutes later, a massive explosion sets his world on a collision course with madness. Obsessed both with Kevin's downfall and the number 3, Slater initiates a game in which Kevin must answer riddles to avoid Slater's destructive, murderous retribution. From #1 bestselling author Ted Dekker comes a powerful story of good, evil, and all that lies between. The perfect blend of suspense, mystery, and horror in one psychological thriller

Now a major motion picture! Also by bestselling author Ted Dekker: *The Circle Series*, *Saint*, and *Sinner*

Dekker 2 in 1 (Obsessed & Three) Ted Dekker 2008-05-27 *Three*: Enter a world where nothing is what it seems. Where your closest friend could be your greatest enemy. Kevin Parson is driving his car late one summer day when, suddenly, his cell phone rings. A man who identifies himself as Slater speaks in a breathy voice: You have exactly three minutes to confess your sin to the world. Refuse, and the car you're driving will blow sky high. Kevin panics. Who would make such a call? What sin? Kevin ditches the car. Precisely three minutes later, a massive explosion sets his world on a collision course with madness. From the #1 best-selling fiction author comes a powerful story of good, evil, and all that lies between. *Obsessed*: A deadly tale of ultimate obsession. Stephen Friedman is making a good living in good times. He's just an ordinary guy. Or so he thinks. But one day an

extraordinary piece of information tells him differently. It's a clue from the grave of a Holocaust survivor. A clue that makes him heir to an incredible fortune...a clue that only he and one other man can possibly understand. That man is Roth Braun, a serial killer who has been waiting for Stephen for thirty years. Roth was stopped once before. This time nothing will get in his way. Known worldwide for page-turning, adrenaline-laced thrillers, Dekker raises the stakes in this story of passion, revenge, and an all-consuming obsession for the ultimate treasure.

Expiration Date Eric Wilson 2005 Clay Ryker can touch and feel impending death. Could this cursed "gift" allow him to forget his failures and save an entire town from destruction?

Throwing caution to the wind, he rushes to her rescue. But this is precisely what the Horde has planned. Encyclopedia of Contemporary Christian Fiction

Nancy M. Tischler 2009-09-10 A biographical encyclopedia of American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. Encyclopedia of Contemporary Christian Fiction: From C.S. Lewis to Left Behind spans the entire breadth of Christian-themed British and American writing from World War II to the present—well-known and less familiar authors, acclaimed literary

novels, and popular writing in a variety of genres (mysteries, thrillers, romances), works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. Encyclopedia of Contemporary Christian Fiction offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response, as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction, and by exploring the depth and scope of popular evangelical fiction, Encyclopedia of Contemporary Christian Fiction offers the richest, most complete portrait of the role of faith in modern English writing ever published. The Heaven Trilogy Ted Dekker 2011-07-06 Dive deep into the stories that began it all. Ted

Dekker's first novels--collected together for the first time. This trilogy is the collection of three gripping, psychological thrillers that peel back the skin of this world to reveal a supernatural reality rarely seen. A daring wager of life and death in Denver. An unfathomable leap of faith in a small Balkan village near the end of WWII. A global struggle for power that begins deep in the Amazon jungle. All three stories are bound together by one family's timeless, harrowing discovery of love and all that is unseen. The Heaven Trilogy offers a window into a world more real and vital than most people ever discover here on earth. A hidden world where the real dramas of the universe--and our daily lives--continually unfold. "Well, well, well, guess what I've found. A fiction writer with a rare knack for a compelling story.

Expansive...Clever...A provocative read." --Best-selling author Frank Peretti for Heaven's Wager "Don't miss this book. Don't miss this author's writing. And don't miss the point. Beautiful and

suspenseful. I'll have to read this one again."-- Eric Wilson, author of the Jerusalem Unded Trilgoy, for When Heaven Weeps *Dark to Mortal Eyes* Eric P. Wilson 2004 A gripping tale of supernatural suspense, this novel illustrates the powerful truth that even buried secrets and generational sins can be broken through spiritual vision and redemption. **Renegade** Ted Dekker 2010-04-12 In *Renegade*, the third in the Lost Books series, a YA spin-off of the New York Times bestselling Circle series, one of the chosen will leave his world . . . and enter ours. One of the chosen has gone renegade. Turning his back on all that he once believed, Billos does the forbidden and enters into a Book of History. He lands in a reality as foreign to him as water is to oil—a place called Paradise, Colorado. He has strange new powers given to him courtesy of a mysterious figure known as Marsuvees Black. The chosen four have survived the desert, escaped the Black Forest, battled the Horde, and added a spirited

refugee to their number. But nothing has prepared them for the showdown that Billos, the renegade, is luring them into. Book 3 of 6 in the Lost Books series (a spin-off of the Circle Series) Lost Books 1: Chosen Lost Books 2: Infidel Lost Books 3: Renegade Lost Books 4: Chaos Lost Books 5: Lunatic Lost Books 6: Elyon Circle Book 0: Green Circle Book 1: Black Circle Book 2: Red Circle Book 3: White Full-length book (70,000 words)
