Dorothy Day and the Catholic

Worker Nancy L. Roberts

1984-01-01 Fifty years ago,

Dorothy Day sold the first issue

of the Catholic Worker in New

York, and one of the most

remarkable newspapers in

American history was born. It

advocated something

revolutionary for 1933

America: the union of

Catholicism with a passionate

concern for social justice and

with personal activism. Today,

the Catholic Worker, still a

monthly with some 100,000

subscribers, remains a leader

in pacifism and social justice

activism. The dean of American

journalism historians, Edwin

Emery, recently acknowledged

the extremely significant role

of the Catholic Worker in the

history of advocacy and

religious journalism. Dorothy

Day and the Catholic Worker

examines Dorothy Day's vital

role as editor, publisher, and

chief writer--the person who

guided the paper's content and

tone--until her death in 1980 at the age of 83. A devout Catholic, Dorothy Day never criticized the Church's teachings--only its failure to live up to them. Her determined leadership gave the Catholic Worker its consistency and continuity through even those periods in American history most hostile to its message. Dorothy Day and the Catholic Worker is the first full-length, scholarly study of the newspaper. Drawing primarily on the Dorothy Day-Catholic Worker Collection at Marquette University and on interviews with former Catholic Worker editors from the 1930s on, it traces the paper's history, highlighting crisis points such as the Spanish Civil War and World War II, when individuals selling the Catholic Worker were sometimes beaten in the streets. During the McCarthy era, the Korean War, and the war in Vietnam, the Catholic Worker maintained its commitment to peace and social justice. A final chapter links the Catholic bishops' recent pastoral letter on

nuclear warfare with the peace leadership provided by the Catholic Worker.
