**Mastering the Guitar Class Method Elementary to 8th Grade**

William Bay 2014-04-24 Mastering the Guitar Class Method is a remarkably innovative new approach to teaching guitar in class settings. Special features of this method include: careful grading of all material; use of both standard notation and tablature; numerous guitar ensemble pieces; the combining of music with other disciplines such as history, math, English, etc.; presentation of varied musical styles as applied to the guitar; solo material from different musical periods; selections derived from various countries and cultures; graded lessons on improvising; and suggested guitar back-up and accompaniment styles. This new method meets current MENC national standards for music education. Includes access to online audio. After completing this volume, students should proceed to Mastering the Guitar Class Method Level 2.

**Mastering the Guitar Class Method 9th Grade & Higher** William Bay 2014-04-17 In this class guitar method, traditional fundamentals of playing guitar are presented using an innovative approach. Students are

shown chords and accompaniment techniques as well as how to read music and play solo guitar. The carefully graded repertoire in this book is stylistically diverse and includes music from many cultures. A section is devoted to teaching students how to improvise over blues chord progressions and write original blues lyrics. A special feature of this class method is the inclusion of music written for a guitar ensemble (2-5 guitars). Musical examples are provided with a blend of standard notation and tab. Musical examples do not employ standard notation and tab at the same time. An accompanying audio and Teachers' Supplement are available. Includes access to online audio.
