MORE definition: in greater quantity, amount, measure, degree, or number. See examples of more used in a sentence. (used with a pl. verb) A greater or additional number of persons or things: I opened only two bottles but more were in the refrigerator. A greater or additional number of persons or things. I opened only two bottles but more were in the refrigerator. More or less means 'mostly', 'nearly' or 'approximately'. We use it in mid position (between the subject and main verb, or after the modal verb or first auxiliary verb, or after be as a main verb). When you want more of something, you don't have enough. This is a comparative word that has to do with addition. It's also the opposite of "less." Examples of more in a Sentence Adjective I felt more pain after the procedure, not less. The new engine has even more power. You like more sugar in your tea than I do. what is more, (used to introduce information that supports the truth of what has been said): This airline is terrible: the planes are always late and what is more, they're hot and uncomfortable. more definition: additional or extra. Check meanings, examples, usage tips, pronunciation, domains, and related words. Discover expressions like "more equal", "more harm than good", "more like it". You use more to indicate that there is a greater amount of something than before or than average, or than something else. You can use 'a little', 'a lot', 'a bit', 'far', and 'much' in front of more. The More surname appeared 4,432 times in the 2010 census and if you were to sample 100,000 people in the United States, approximately 2 would have the surname More.
